MECKLENBURG COUNTY

Office of the Tax Collector

MEMORANDUM

TO: **Mecklenburg County Board of Commissioners**

From: **Neal L. Dixon, Director/Tax Collector**

Date: **April 17, 2018**

Subject: **Law Enforcement Service District Hearing Notices – Certification of Mailing Requirement**

The laws governing the process to modify the Law Enforcement Service District (LESD) mandate how property owners are to be notified. Specifically, there are clear requirements of how the hearing notices are to be managed. The information accompanying this memorandum satisfy the requirements.

North Carolina General Statute (NCGS) 153A-312(d) requires that hearing notices "shall be mailed at least four weeks before the date of the hearing by any class of U.S. mail which is fully prepaid to the owner as shown by the county tax records as of the preceding January 1 (and the address shown thereon) of all property located within the proposed district. The person designated by the board to mail the notice shall certify to the board that the mailing has been completed and his certificate is conclusive in the absence of fraud."

A collaborative effort was completed by several departments to design and produce hearing notices, territory maps, and the address file. I was charged with mailing the notification materials to property owners in compliance with all aspects of the governing statute. A private company, SouthData, was engaged to print and mail the notices. SouthData is under contract with the County as both the Office of the Tax Collector and the County Assessor's use SouthData for print services.

As the certification letter from SouthData states, the mailing of hearing notices was completed and compliant with the requirements set forth in NCGS 153(a)-312(d).

Please contact me at Neal.Dixon@MecklenburgCountyNC.gov or 980-314-4488 if you have any questions regarding this information.
