1. **Yes.** I am a registered voter in Mecklenburg County.
2. **No.** I am unemployed.
3. **No.** I am neither an employee nor a tenant of anyone.
4. **No.** I have never been convicted of a crime other than a minor traffic offense (such as a parking ticket, speeding ticket (under 15 mph over the speed limit) or equipment failure citation). No such minor traffic offense occurred within the past decade. I believe minor traffic offenses are typically excluded from eligibility criteria; however, if you need the court information, I can try to obtain it from my auto insurance company if they retain records that long. Please let me know.

Please see my responses below. I would like to add that in addition to a number of city and county advisory boards, I currently serve as the Chair of the Public Art Commission and have frequent interactions with members of the airport senior staff, including Jerry Orr and Roy Johnson and have developed a working relationship with them. As a lawyer, I deal with many of the issues facing the airport including construction, employment and vendor contracts. I would be not only a leader but a moderating voice.
