LAKE NORMAN MARINE COMMISSION

Number of BOCC Members: 2 Term Length in Years: 5

Purpose

Catawba, Iredell, Lincoln and Mecklenburg county recognize the need for cooperative efforts on Lake Norman dealing with matters of boating, water safety, and recreational uses of the lake. In 1965, a local Act empowered to four counties to make joint regulations for the safe operation of vessels and for recreational uses of the water. The Boards of Commissioners of the four participating counties have the power to meet jointly in passing regulations or make regulations through designated representatives of the four counties. The creation of the Commission was intended to avoid this cumbersome procedure. The Marine Commission may pass regulations with a maximum fine of \$50. Enforcement may be by the Wildlife Commission (if they concur), the counties (if they concur) or the Marine Commission. Appointments are made for five-year terms with no one serving more than two consecutive full terms.

Qualifications

Must be a resident of Mecklenburg County.
