Dear Tracy,

On behalf of the National Association of the Remodeling Industry (NARI) of Greater Charlotte, I am pleased to provide this letter of recommendation for Michael DiFabion to serve as our representative on the Mecklenburg County Building Development Commission.

Michael is a second-generation remodeling contractor who has dedicated his career to raising the standard of excellence in the remodeling industry here in Charlotte. His deep roots in the community and hands-on experience in the field give him an invaluable perspective on the challenges and opportunities facing today's home remodeling professionals.

Michael has been an active and highly respected member of NARI of Greater Charlotte for many years. Over that time, he has served in numerous leadership roles on our board of directors and ultimately led our organization with distinction as President for a two-year term. His commitment to the organization and our mission has been unwavering.

In addition to his professional and volunteer service, Michael has earned NARI's prestigious Master Certified Remodeler (MCR) designation. This credential is a testament not only to his technical expertise and business acumen but also to his consistent adherence to NARI's Code of Ethics and Standards of Practice which is a standard that promotes integrity, professionalism, and excellence in remodeling.

We believe Michael's real-world knowledge as a remodeling contractor, coupled with his dedication to ethical business practices and deep understanding of industry regulations, make him uniquely qualified to contribute meaningfully to the work of the Building Development Commission. He will bring a thoughtful, practical, and solution-oriented voice to conversations that directly impact the remodeling and building community in Mecklenburg County.

For these reasons, we are proud to recommend Michael as NARI of Greater Charlotte's representative. We are confident he will be an asset to the Commission and to the greater community it serves.

Sincerely,

Mara Esser
Executive Director
