Occupation

Business and civic experience

After graduating from UNC Charlotte, I joined the local architecture firm Liquid Design, where I worked on commercial and civic projects, including the U.S. National Whitewater Center. Over a decade ago, I joined Perkins&Will, where I continue to serve as an architect focused on community-based work such as the Charlotte Douglas Concourse A Expansion, Phase 2. In addition to my design role, I am part of the Operations team, responsible for the financial and technical performance of our practice. Beyond my professional work, I am active in the community as a member of the Board of Trustees for the Charlotte Museum of History and have **taught design courses at both Queens University and UNC Charlotte.**

Area of expertise and interests/skills

My expertise lies within the design and construction industry. Through experience in both academia and architectural practice, I have developed a skill set that translates across multidisciplinary teams and supports collaboration throughout the full project lifecycle, from creative design through construction. This work has also sparked a strong interest in the arts and cultural sector, which I am eager to continue developing. I am very interested in contributing my unique perspective to this commission and in helping advance the impressive legacy of public art in Mecklenburg County.

Additional Information

If you are or have ever served on a Mecklenburg County board/commission, please answer yes or no. If yes, please disclose the Board and term-end date.

No

Why are you interested in serving on the board(s) to which you are applying?

While working on CLT's Concourse A Expansion project, I had the opportunity to work alongside ASC on the installation of the Ball Nagues piece now installing in the Phase 1 expansion. This was such a great experience that I later participated in ASC's Cultural Leadership Training program which let to my placement on the Board of Trustees at the Charlotte Museum of History. I would jump at the opportunity to continue to be a part of the work of these organizations!

Have you attended a meeting of the advisory board(s) to which you are applying?
