Re: Charlotte Hospital Authority Petition

Dear Commissioners:

We support the petition by CHS to name the triangular shaped lot at the intersection of East Morehead and Harding Place the *Robert Haywood Morrison Gardens*.

That act, and the placing of a privately commissioned piece of art on 'public property' adds greatly to the public art stock in our community.

We applaud the County's position in encouraging the community to come forth with public art, as we have been undertaking in the Dilworth neighborhood.

Sincerely,
