

Charlotte Bike Polo - Permanent Court Space

About CLT Bike Polo

- The CLT club is a member of the NAHBPA and has been active for 2.5 years.
- Our sister clubs include Asheville (AVL) and Raleigh (RAL).
- Several members have attended polo camp in Lexington, Kentucky.
- We have hosted small tournaments in CLT with players from Florida to Canada!

Permanent Court Space Needed

- We clean up lesser used tennis and basketball courts only to haggle for time with pickle and basketball players.
- A dedicated space will be easier for recruiting new players and hosting larger tournaments.

What we are asking

- An exception to play on 2 tennis courts with lights on Sundays and Wednesday evenings (like AVL and RAL).
- Inclusion in future planning for multi-purpose courts.
