Ref: K-9 Aggie Retirement and Adoption by Deputy Daniel Tuomey

Date: February 10, 2023

I am respectfully requesting the official retirement of our beloved K-9 Aggie. Aggie has been in service with the Mecklenburg County Sheriff's Office for over 9 years. Aggie was born on August 31st, 2013 and is a trained explosives detection K-9.

Deputy Daniel Tuomey has requested to adopt K9 Aggie upon her retirement. K9 Aggie has been partnered with Deputy Tuomey since 2020. Aggie has become a member of the Tuomey family and greatly cherished by everyone.

K9 Aggie's age has made it hard for her to go. It is difficult for her to get up into the truck and she is barely able to perform her duties. Aggie also has a multitude of health problems and requires a special diet. I am requesting the Board to allow Aggie's retirement so she can enjoy a peaceful life with the Tuomey family for the remaining time she has.
