Good morning Stephen , this is Jon Sharpe with Roby Commercial and I have a client that would like to change the name of their office park road.

This road is Floyd Smith Office Park Drive up near the Charlotte Motor Speedway. The new owners are Kristin Dillard with Team Automotive and Ron Sodoma with Doma Vida Capital.

They haven't decided on a new name but wanted to get the conversation going to find out how to do it.

If you can get us started that would be helpful.

Thank you for your help in pointing us in the right direction.

Good Morning Jon,

Your email was forwarded to me about wanting to rename a Private Rd. If the owners want to change the name of the private Road, they will need to file a street name change petition with the signature of 75% of property owners agreeing to the change. And with that petition, you must provide me with the list of proposed names to review. We can schedule a meeting to talk more about the street name change process.

Good morning Team , would you happen to know the history behind the current name of Floyd Smith Office Park Drive ?

Wanted to verify this before we changed the name just in case.

Thanks

Our only history of the street is that it was named after the business park.

The Requestor will need all signatures of property owners affected by the change. As I mentioned there are plans for a new residential development that will be using that road, you will also need their signature for approval of the street name change.

Good afternoon Team , I wanted to circle back on this as the ownership group has finalized a name change for the Floyd Smith Office Park.

Mallorie , Angela is the person at the county this needs to go through.

Attached is the form I sent Kristin to have filled out and needs to be signed by all owners.

If you have any questions , let Angela know. She is very helpful.

Thank you

Importance: High

Jon,
The property owner will also need the signatures of all property owners whose building addresses will be affected by this change. As I mentioned, a new apartment complex is in the process of being developed with four buildings assigned: 705, 709, 713, and 717 Floyd Smith Office Park. If approved, many people's addresses in those buildings will have to change, and builders will have to update all their permits for new constructions. I recommend that you reach out to them as soon as possible before they start the process....
