**NOTICE OF PUBLIC HEARING
BY THE BOARD OF COUNTY COMMISSIONERS OF MECKLENBURG
ON THE TOWN OF CORNELIUS' MINOR SYSTEM COMPONENT OF
STORM WATER FEES**

The Mecklenburg County Board of Commissioners will hold a public hearing on Tuesday, June 18, 2024, at 6:30 p.m. or soon thereafter as the item is reached on the agenda in the Meeting Chamber of the Charlotte-Mecklenburg Government Center (CMGC) located at 600 East Fourth Street, Charlotte, NC, to receive public input on the Town of Cornelius' minor system component of storm water fees.

The minor system fee funds storm water management programs to improve water quality, reduce flood losses and repair/maintain the storm drainage system that drain less than one square mile within the municipalities and the unincorporated areas of the County. By Interlocal Agreement, the minor system of the storm water system is defined as ditches, swales, pipes, etc that drain less than 1 square mile and is the responsibility of the City inside the City limits and each Town inside their town limits. The revenue generated from the minor system component of the storm water fee charged within the City and Towns is returned to the City and Towns to fund their storm water management programs.

The purpose of the public hearing is for the Board to receive public comments on proposed changes to the Town of Cornelius' minor system component charged within the Town's limits.

Additional information can be found at www.charmeck.org/stormwater. The public hearing by the Board of County Commissioners is in accordance with the provisions of the "AGREEMENT FOR THE OPERATION OF A SINGLE STORM WATER SYSTEM IN MECKLENBURG COUNTY."
