

Hello Queen's Charlotte

Mecklenburg County Commissioners, Public Viewers',

And Attendees...

My name is Fran Walker, A Queen On A Mission.

Thank you for this opportunity to introduce my

501 C (3) Non Profit

Sons of A Queen Foundation.

The purpose of the Foundation is to guide a target group of 9th grade high schoolers towards a positive life outcome and away from gangs and guns violence.

I am a Veteran of higher education, mother two sons, one who was shot killed and Zae currently seeking to become a city Firefighter.

I started Sons of A Queen Foundation because I was always sacrificing personal time and finance to support young males from losing focus of their future goals.

I had struggles, homelessness, relationship barriers
Yet through my hardships I pressed on to success in life.

Through my parenting, my sons seem to always leave home for school with stress from our living conditions.

I would say this is my life status and your temporary situation. Go to school and strive for a better life outcome.

I have realized that it was impossible for a child to comprehend when they clothing showed depression and others judged it, which prevented them from learning.

Sons of A Queen Foundation assist with redefining goals and makeovers for applicants to make a difference as a productive citizen contributing to the county economic growth.

I would like to

Connect with local entities

Share the purpose of donating money

And Talk about the positive life outcomes

And inspire individuals to keep hope alive and succeed

I can be reached at info@queenonamission.com
