Why are you interested in serving on the board(s) to which you are applying?

I would like to give back to the community of Charlotte and i think this is a fantastic way to start. I think this city offers so much to so many people and it has given me ample opportunities to grow as a person. I want to ensure others can have this and be able to access the services provided by the city. I also find local government incredibly interesting because this is how things actually get done within a community. I am a business leader, in tune with the community and i have a capacity for management and leadership ability that would an asset to any committee in Charlotte.
