

MECKLENBURG COUNTY
HOUSE NUMBERING
PROCEDURES

Article I. Title, Purpose, Authority, Jurisdiction

Section 101. Title

These procedures shall be known and cited as the Mecklenburg County House Numbering Procedures.

Section 102. Purpose

The purpose of these procedures is to provide a uniform building/property address system for Charlotte and Mecklenburg County along both private and public streets and roadways in order to facilitate provision of adequate public safety and emergency response services.

Section 103. Authority

These procedures are adopted under the authority of the City Council and County Board of Commissioners.

Section 104. Jurisdiction

Mecklenburg County Engineering and Building Standards Department, Zoning Division shall be responsible for assigning uniform and proper street addresses in the incorporated and the unincorporated areas of Mecklenburg, except Davidson, and the designated boundary of Huntersville. See the attached letters giving Mecklenburg County authority to assign street addresses to the incorporated City of Charlotte, Matthews, Mint Hill, Cornelius and Pineville. Any condition resulting in the doubt of or difference of opinion as to the correct address of any structure, the Mecklenburg County Engineering and Building Standards, Zoning Division will determine the proper address for the structure. Upon adoption of these procedures , incorporated cities can be numbered by the Mecklenburg County Engineering/Building Standards by special arrangement or agreement
