Business and civic experience

I have more than a decade of experience as a journalist, small business owner, entrepreneur and marketer in Charlotte, beginning with a role as reporter and editor with The Charlotte Observer. Advisory Board Details

Appointments are made for three-year terms with no one serving more than three full consecutive terms. The Chairman and Vice-Chairman are designated by the Board of County Commissioners. The time commitment for serving on Board of Equalization and Review is annually. The board convenes in April of each year and Adjourns May of each year. The BER Hearings are typically monthly From June-December of each year. Board members work with the board chairman to choose which hearings dates they would like to serve and the frequency of when they will serve on a hearing panel. In a reval year, because of the volume of appeals, a board member may be requested to serve on a panel potentially twice a month or more. In a non-reval year, because of the low volume of appeals, a board member's participation will not be as frequent.
