DANIEL K. KAPUBA, MBA, ASQ CQE - CMQ/OE, FAA ADX
202-834-9867 | kapuba@gmail.com | [LinkedIn Profile](#)

EXECUTIVE LEADERSHIP | OPERATIONS | QEHS MANAGEMENT

Visionary and results-driven executive leader with a proven record of driving operational excellence, regulatory compliance, and process optimization in manufacturing, logistics, and service industries. Adept at leading high-performing teams, implementing Lean Six Sigma methodologies, and spearheading strategic initiatives that enhance efficiency, safety, and quality. Experienced in managing large-scale operations, ISO-certified environments, and sustainability programs to maximize profitability and stakeholder value.

Core Competencies:

- Executive Leadership & Team Development
- Operational Excellence & Process Optimization
- Strategic Planning & P&L Management
- Supply Chain & Logistics Management
- Quality, Environmental, Health & Safety (QEHS) Compliance
- Lean Manufacturing & Six Sigma Implementation
- ISO 9001, 14001, 45001, R2v3, OSHA, EPA Compliance
- Risk Management & Regulatory Affairs
- Data-Driven Decision-Making & KPI Analytics
- Stakeholder Engagement & Change Management

KEY HIGHLIGHTS:

- **Executive Leadership & Strategy** – Proven success in driving operational excellence and business transformation.
- **Process Optimization & Lean Management** – Implemented continuous improvement initiatives to enhance efficiency.
- **Regulatory & Compliance Mastery** – Deep expertise in ISO, OSHA, EPA, FAA, USDOT, USDOL and QEHS management systems.
- **Cross-Industry Expertise** – Extensive experience across manufacturing, logistics, and sustainability sectors.
- **Data-Driven Decision Making** – Strong analytical skills with a track record of improving operational KPIs.

PROFESSIONAL EXPERIENCE

Li Industries, Inc., Charlotte, NC (June 2024 – Present) ***Senior QEHS & Operations Leader***

- Led the implementation of an integrated QEHS Management System across multiple sites, achieving ISO 9001, ISO 14001, ISO 45001, and R2v3 certifications within six months.
- Implemented a Robust Statistical Process / Quality Control System using Minitab and JMP Data Analytics and improved 37% manufacturing process capability.
- Spearheaded operational risk management programs, reducing non-compliance rates from 55% to 0% within six months.
- Optimized hazardous and universal waste management, ensuring full regulatory compliance while reducing costs.
- Developed leadership training programs focused on Lean methodologies and continuous improvement.

Jetstream Ground Services, Inc., Charlotte, NC (Dec 2023 – May 2024) ***Operations and Aircraft Access Control Manager***

- Managed aircraft ground operations, optimizing workforce efficiency and regulatory compliance.
- Led operational streamlining initiatives that reduced turnaround times by 18% and increased overall efficiency by 12%.
- Created and Implemented American Airlines CLT Aircraft Access Control procedures and reduced 26% access violations.
- Implemented new performance tracking systems, enhancing data-driven decision-making for improved productivity.

Delta Mold, Inc., Charlotte, NC (Sept 2023 – Oct 2023) ***Director of Quality & Operational Excellence***

- Conducted a comprehensive QMS gap analysis, leading strategic implementation plans for enhanced compliance.
- Introduced sustainability and ESG initiatives, improving carbon footprint tracking and resource utilization.
- Trained leadership in 8D and A3 problem-solving methodologies, enhancing issue resolution efficiency.

Serta Simmons Bedding, Charlotte, NC (Jan 2022 – Sept 2023)

Plant Quality & Safety Manager

- Led plant-wide operational improvements and generated 46% scrap reduction and 13% direct cost savings.
- Reduced 7% supplier quality defects and improved supplier performance.
- Managed continuous improvement projects, resulting in significant cost savings and enhanced throughput.
- Developed cross-functional training programs on Lean, Six Sigma, and customer satisfaction.
- Reduced the Plant Injury Rate by 32% by implementing a proactive Near Miss Reporting System.

Continental Structural Plastics, Salisbury, NC (Aug 2018 – Dec 2021)

Senior Quality & Process Engineer

- Led quality and operational excellence initiatives, ensuring compliance with ISO 9001 and IATF 16949.
- Spearheaded successful PPAP launches for major automotive OEMs, optimizing production workflows.
- Reduced customer complaints and production downtime by implementing robust CAPA, Six Sigma and Lean methodologies.

OTTO Environmental Systems, Charlotte, NC (Nov 2014 – Aug 2018)

Operations & Quality Supervisor

- Managed across two manufacturing plants, overseeing operations, logistics Quality and compliance.
- Led Lean transformation initiatives, improving Overall Equipment Effectiveness (OEE) by 20%.
- Reduced production waste and enhanced supply chain coordination through strategic planning.

EDUCATION & CERTIFICATIONS

- **MBA, Business Strategy**, International MBA Institute - Switzerland
- **B.S. in Earth Sciences**, University of Douala - Cameroon
- **A.S. in Earth Sciences**, University of Yaoundé - Cameroon

Certifications:

- Certified Manager of Quality/Operational Excellence (CMQ/OE) – ASQ
- Certified Quality Engineer (CQE) – ASQ
- Certified Six Sigma Black Belt (CSSBB) – International Six Sigma Institute
- Certified Project Manager (APM) – International Organization for Project Management
- OSHA Outreach Trainer – General Industry
- Certified ISO 9001, ISO 14001 & ISO 45001 Auditor
- R2v3 Internal Auditor – Greeneye Partners
- FAA Licensed Aircraft Dispatcher
- Certified Human Right Professional
- Certified Business Consultant
- Certified Anti-Human Trafficking Professional
- Ordained and Licensed Elder (Pastor) - COGIC

Question applies to Air Quality Commission

AQC: Which of the following represents your vocation or interest? *

- ☒ General Public
- ☒ Industrial

RESUME OF:

Gordon C. Miller
9535 Sardis Glen Drive
Matthews, NC 28105
(704) 847-3140

SUMMARY: A former, now retired, certified, technically trained and experienced health, safety, and environmental affairs manager/director/professional with good research abilities and strong knowledge of current regulatory affairs. Also presents a strong business and human relations orientation, particularly in teaching, knowledge transfers, and quality management.

EDUCATION: M.S.P.H. (Public Health), Air and Industrial Hygiene, 1975, UNIVERSITY OF NORTH CAROLINA, Chapel Hill, NC. Recipient of Public Health Service Traineeship.

B.A., Physics, 1970, WASHINGTON & JEFFERSON COLLEGE, Washington, PA. Recipient of Samuel Jones Prize in Physics, 1970. Varsity swimmer for four years, captain senior year.

EXPERIENCE:

(Retired from professional practice, April 2014)

MM&A LLC., Matthews NC, President and Principal

2001 – 2014 Founded consulting business supporting clients on matters of occupational health, occupational safety, and environmental management. The firm provides broad management support on health, safety and environmental management issues based on the needs of the particular client. The firm services industrial, legal, and governmental clients.

REXAM INC./ INTELICOAT TECHNOLOGIES LLC, Matthews, NC, Director, Health, Safety & Environment

1983 - 2003 Created division manager/sector level director position and managed all facets of multi-plant division/multi-division safety, health, and environmental affairs programs through both direct and indirect staffing. This included:

- Title V permits,
- Tank removal
- and remediation,
- Storm water
- permitting and management,
- Wastewater
- pretreatment permitting,
- Hazardous
- waste disposal,
- Routine safety
- training,
- Hazwoper and
- emergency management training,
- Occupational
- safety evaluations and management of facilities,
- Industrial
- hygiene evaluations and management of facilities, and

- Medical surveillance programs

Additionally, provided corporate, including international, support and oversight on matters of safety, health, and environmental affairs during Rexam ownership. This involved all levels of management for site acquisition, remediation for sold sites, managing corporate liability for Superfund sites, along with routine involvement with suppliers, customers, and regulatory agencies.

Major accomplishments include:

- Managed waste management program recognized by NC Governor's Waste Management Board as outstanding.
- Created multi-division hazardous waste management program that reduced hazardous waste cost by approximately \$1,000,000 per year (1999-2000)
- Reduced worker's compensation claims cost by 70% over four years (increased focus on excellence in claims management along with prevention) in 14 facilities employing 2200+ employees with resulting savings of approximately \$3,000,000/yr.
- Managed clean-up and Superfund activities (including technical committee chairperson for Leonard Chemical Company Superfund action and Seaboard Chemical Company NC Inactive Sites) with cost control consistent or less than those typical of similar sites.

1979 - 1983 CELANESE CORPORATION, Charlotte, NC, Health, Safety, and Environmental Affairs Consultant

Provided direction, technical input, implementation, and management for projects and staff functions in industrial hygiene, health monitoring, product safety, toxicology, and regulatory affairs. Position was in corporate headquarters coordinating activities from senior management to plant support operations.

Some major accomplishments included:

- Implemented health monitoring program for 6500 employees including health surveillance, worker exposure tracking, and industrial hygiene database.
- Prototyped and coordinated product safety approval system for approximately 40 experimental products and 10 commercial products per year.
- Managed a \$500,000/year toxicology program developing a strong health effects database.

1976 - 1979 INDIANA UNIVERSITY OF PENNSYLVANIA, Indiana, PA, Assistant Professor, Safety Sciences Department

Taught courses in industrial hygiene, occupational safety, and air pollution. Additionally, provided counseling to students in career selection and placement. Tenured.

Some major accomplishments included:

- Developed textbook and laboratory manual for one industrial hygiene course.
- Chaired several departmental committees including Search Committee. Recruited four faculty members for department.
- Coached men's varsity swimming producing five All-Americans.

1975 - 1976 BENDIX CORPORATION, Launch Support Division, Cocoa Beach, FL, Research Industrial Hygienist

Conducted contract field research in various areas of industrial hygiene. Supervised a mobile laboratory with chemist and technician.

1971 - 1974 HARTFORD INSURANCE GROUP, Hartford, CT, Technical Consultant, Environmental Sciences Unit

Conducted safety, fire protection, industrial hygiene, and environmental consultation for client corporations. Conducted instrumental analytical chemistry in industrial hygiene/environmental laboratory. A major accomplishment was the development of an AIHA accredited laboratory.

CERTIFICATIONS: Certified Industrial Hygienist (CIH), Comprehensive Practice, American Board of Industrial Hygiene. (Retired)
 Certified Hazard Control Manager (CHCM), International Board of Hazard Control Managers. (Retired)
 Certified Hazardous Materials Manager (CHMM), Institute of Hazardous Materials Management. (Retired)
 Registered Environmental Manager (REM), National Registry of Environmental Professionals. (Retired)
 Qualified Environmental Professional (QEP), Institute for Professional Environmental Practice. (Emeritus)

MEMBERSHIPS: American Industrial Hygiene Association (past Toxicology and Management Committee Chair, current member)
 American Academy of Industrial Hygiene (Retired)
 American Society of Safety Engineers (past Local Section Officer, current member)
 American Conference of Governmental Industrial Hygienists (Retired)
 Air and Waste Management Association (Retired)
 Carolinas Air Pollution Control Association (Past-President and Board Member, current member)

OTHER ACTIVITIES: Member and Current Chair, Environmental Advisory Committee, Town of Matthews, Matthews, NC.
 Former Member, Air Quality Commission, Mecklenburg County (NC) Land Use and Environmental Services Agency
 Former Member and Past Current Chair, Local Emergency Planning Committee, Lancaster County, SC
 Former Member, Pollution Prevention Committee, North Carolina Pollution Prevention Advisory Council, NCDEHNR, Raleigh, NC

PUBLICATIONS: Several publications and numerous technical presentations in occupational health and environmental management

PRESENTATIONS Presented PDC's entitled "The Fine Art of Industrial Hygiene Management" with Don Weeks and Fred Freiburger and "Effective Management Communications" with Fred Freiburger (last presented in 2005) that were predecessors to the AIHA Management Certificate Program.

Numerous presentations at the Carolinas Air Pollution Control Association covering the "Nuts and Bolts of Air Pollution" for those new to the air pollution field. Also was Board Member and Officer that created and presented 14 technical conferences.

Mecklenburg County, NC

Air Quality Commission

Board Details

The Mecklenburg County Board of County Commissioners created the Mecklenburg County Air Quality Commission (AQC) with the mission and duty to promote the protection, preservation, and enhancement of the ambient air resources of Mecklenburg County, North Carolina.

The AQC shall provide citizen and stakeholder input to the Board of County Commissioners, local municipalities and staff through the review and recommendation of air pollution management policies, long-range plans, operations and their budgetary impacts in order to achieve the above mission.
