Mecklenburg County Engineering and Building Standards

Dear Mr. Olmsted,

This letter is a formal request for Mecklenburg County to provide addressing services to the Town of Davidson. We wish for currently assigned addresses to remain the same. However, residents will benefit from future addressing consistent with that of Mecklenburg County.

Please contact Meredith Judy, one of our planners, if there is anything we need to do to complete this request.

Thank you for your assistance.

Sincerely,

Leamon Brice  
Town Manager
