

Cook's Community

Volunteer Fire Department

October 27th, 2025

Dear Mr. Bixler,

Cook's Community Volunteer Fire Department would like to request \$210,000 from our Capital Funds Account for the purchase of a 2006 Pierce Engine/Pumper. This will replace our 1993 Seagrave Engine/Pumper. I have included an invoice for this truck.

Thanks in advance,
Fire Chief
