Martin,

Hope all is well. Reaching out to finally say we can inform you of the PET Grant award for a total of:

- \$350,000 for optical sorting equipment
- \$75,000 for PET thermoform and general recycling education

If you'd like to discuss, happy to arrange a call. If not, next steps would be for me to build a grant agreement and send to you for review.

\*The PP Coalition is lagging behind just due to scheduled meetings not lining up. We expect to update you within a month about that award.

Thanks and congrats on the award!! Please confirm receipt.
