AWARDS/RECOGNITION

25-0222 ORDER OF THE HORNET INDUCTION – COUNTY MANAGER DENA R. DIORIO

Background: The Order of the Hornet was established in 1972. It is bestowed by the Board of County Commissioners on persons who have displayed valor or high order of service uniquely and specifically to the residents of Mecklenburg County. This is the highest honor bestowed by the Board. The Order of the Hornet was founded in the spirit of the early Mecklenburg patriots who signed the Mecklenburg Declaration of Independence on May 20, 1775, and proclaimed the County's freedom from Britain more than a year before the U.S. Declaration of Independence was signed. Those early patriots valiantly fought for their independence during the Revolution and gave Lord Cornwallis such difficulties during his occupation of Charlotte that he termed the town a "hornet's nest" of rebellion. County Manager Dena R. Diorio reflected the honor, strength, and fierce American patriotism that so stung Lord Cornwallis and is being recommended for membership in the Order of the Hornet.

Dena Diorio has been a leader in public administration since 1988. Dena earned her bachelor's degree in social services from the State University of New York at Plattsburgh. She earned a master's degree in public administration from Columbia University.

She has held leadership positions in local government in New York City, the City of Stamford and the City of Danbury, both in Connecticut, and in Mecklenburg County, North Carolina.

Dena joined Mecklenburg County in 2007 as Director of the Department of Financial Services. She is recognized for guiding the County through the fiscal crisis and implementing policies that significantly improved the financial position of the County. In 2013, she was promoted to Assistant County Manager and in 2014 was selected as the first woman to serve as County Manager for Mecklenburg County.

Dena has been recognized for her leadership by many organizations:

In 2015, she was named Public Policy Leader of the Year by the National Association of Women Business Owners, and in 2016, she received the Leadership in Action award by Career Mastered.

In 2018, she was named one of the 50 Most Influential Women by the Mecklenburg Times, and in 2019 a Most Admired CEO by the Charlotte Business Journal.

In 2020, Dena was chosen as the Businesswoman of the Year by Queens University, the first woman from the public sector to receive the honor.

Meeting Minutes

June 17, 2025

In 2021, she was awarded the Excellence in Leadership Award from the Centralina Regional Council, received a Woman in American History Award from the Daughters of the American Revolution, and the Pegasus Award from the Public Relations Society of America, which honors someone from outside the public relations profession for embracing the strategic use of communications.

In 2022, Dena was recognized nationally for her COVID-19 leadership and was named County Executive of the Year in the annual LocalSmart Awards, which highlight people and projects in local government.

In 2023, Dena was awarded the prestigious Whitney M. Young Jr. award by the Urban League of Central Carolinas for her thoughtful leadership that is vital to serving the black community.

In 2024, Diorio received the Gem Award from the Charlotte Museum of History for her support in saving and revitalizing the last still-standing Siloam School in the County which was built to educate black children. Diorio was also recognized in 2024 for her work to support formerly incarcerated residents.

In 2025, Dena received the Root Award from the Growing the Dream organization for her cumulative work to serve and support the African American community. She was noted for being a “root” in the efforts to improve lives. She also received the Excellence in Leadership Award from the Rotary Club of Charlotte for her guidance of the County through natural disasters, a cyber-attack, and the pandemic as well as maintaining fiscal strength and stability. Dena received the Vision Award from Charlotte Center City Partners recognizing her transformational leadership.

Motion was made by Commissioner Leake, seconded by Commissioner Powell, and unanimously carried, to induct County Manager Dena R. Diorio into the Mecklenburg County Order of the Hornet, the highest honor bestowed by the Board.

The Commissioners gave remarks regarding outgoing County Manager Dena Diorio.

County Manager Dena Diorio accepted the Order of the Hornet and gave remarks.

The Order of the Hornet

Know All Persons by These Presents
that

Dena R. Diorio

is hereby inducted into the Order of the Hornet of Mecklenburg County,
North Carolina.

The Order of the Hornet was founded in the spirit of the early Mecklenburg patriots who signed the Mecklenburg Declaration of Independence on May 20, 1775, and proclaimed the County's freedom from Britain more than a year before the U.S. Declaration of Independence was signed.

Those early patriots valiantly fought for their independence during the Revolution and gave Lord Cornwallis such difficulties during his occupation of Charlotte that he termed the town a "hornet's nest" of rebellion.

Because the above-named reflects the honor, independence and fierce American patriotism that so stung Lord Cornwallis, this person is chosen for membership in the Order of the Hornet.

In testimony thereof we hereby confer the rights and privileges pertaining thereto and affix the seal of Mecklenburg County on this 17th day of June in the year of 2025.

PUBLIC HEARINGS

25-0352 AMEND MINOR STORM WATER FEES FOR THE CITY OF CHARLOTTE, THE TOWN OF MATTHEWS, AND THE TOWN OF MINT HILL.

Motion was made by Commissioner Dunlap, seconded by Commissioner Powell, and unanimously carried, to open public hearing for comments on proposed amendments to the Minor System components of Storm Water fees for the City of Charlotte, the Town of Matthews, and the Town of Mint Hill.

Background: In 1994, the County implemented a Storm Water fee to fund the administration of storm water management programs to improve water quality, reduce flood losses and repair and or maintain the storm drainage system.

Minor System Component for municipal jurisdictions: By Interlocal Agreement, the minor system of the storm water system is defined as ditches, swales, pipes, etc. that drain less than 1 square mile and is the responsibility of the City inside the City limits and each Town inside the town limits. The revenue generated from the minor system component of the storm water fee charged within each municipal jurisdiction is returned to that jurisdiction to fund their storm water management programs.

To address the substantial increase in unfunded projects and citizen's requests, projects in the right of way and aging infrastructure, the City of Charlotte, the Town of Matthews and the Town of Mint Hill proposes a change to the minor system component of the Storm Water fee.

The changes that have been approved or still under consideration are as follows:

25-0373 PULLED CONSENT ITEMS

Commissioners may remove agenda items from the Consent Agenda for a separate vote, to bring public awareness or to make comments. The following items were pulled and voted upon separately:

25-0353 COMMITMENT TO QUALITY EDUCATION AND VOLUNTEER ACTIVITIES

Motion was made by Commissioner Leake, seconded by Commissioner Altman, and unanimously carried, to amend and approve recommended policy updates to be effective July 1, 2025.

Background: The current policy allows employees time away from work to participate in school-related activities and volunteer with approved community service agencies to receive up to 24 hours of matched time. Community service agencies that wish to have County employees volunteer with them must contact the County Manager to be approved as a participating agency. This list of organizations has not been updated since 2008.

Justification:

- *We are recommending removal of the following as approved school-related activities:*
 - o *Parent-Teacher Conferences*
 - o *Graduations*

While these listed activities may be school-related, employees should not receive matching time to attend events directly related to their child and events they would attend as a parent. However, if they are “volunteering” to assist during graduations or parent-teacher conferences, this would be allowed.

- *We are recommending allowing employees to recommend community service agencies to be approved for the list. Employees have been requesting to add agencies to the list, however under the current policy there is no avenue for employees to do so. Agencies must be a non-profit or charitable organization. The organization’s vision, goals, and mission must be in*

alignment with the County’s vision, goals, and mission. The County Manager would approve it as a participating agency.

- We are recommending the list of agencies be moved to the HR policy. As stated above the list of community service agencies has not been updated since 2008. On the current list there are agencies that need to be removed because they no longer exist, or name has been changed. We are recommending the chart be moved to the HR Policy section as we anticipate an increase in changes more often as employee’s recommend agencies.

Commitment to Quality Education and Volunteer Activities		
The BOCC and County management commit to the support of education recognizing that the involvement and participation of County employees in the education of children contribute to the quality of the learning process. The BOCC and County management are also committed to enhancing the quality of life and economic growth in the community and region.		
Therefore, the County will match time away from work up to 24 hours in a calendar year for the purpose of participating in school-related activities and volunteering with approved community service agencies. Unused hours do not accumulate or carry over from year to year.		
An employee's job responsibilities take precedence over volunteer activities. Prior approval by the employee's supervisor is required. Employees are eligible for this program after the first 90 days of employment.		
Examples of school-related activities in public or private schools:		
1. Tutor, Guest Lecturer, or Supplemental Instructor Programs		
2. Lunch Buddies

25-0356 MARSHALL PARK DEVELOPMENT MEMORIAL PROJECT

Meeting Minutes

June 17, 2025

Motion was made by Commissioner Leake, seconded by Commissioner Altman, and unanimously carried, to authorize the County Manager to negotiate and execute a Memorandum of Understanding with the Stan Greenspon Holocaust and Social Justice Education Center at Queens University of Charlotte and recognize and receive the donation of a new Holocaust Memorial and other site improvements at Marshall Park.

Background: The Stan Greenspon Holocaust and Social Justice Education Center at Queens University of Charlotte, in partnership with the NAACP Charlotte-Mecklenburg Branch, the Charlotte Black/Jewish Alliance, and Queens University of Charlotte, propose to honor the resilience of humanity through engagement with two iconic memorials in Marshall Park: the existing Dr. Martin Luther King, Jr. Memorial Statue and a new Holocaust Memorial Sculpture.

The project, referred to as The Circle of Humanity: Monuments for Unity and Remembrance, will weave together the stories of the Holocaust and the Civil Rights Movement to promote understanding, tolerance, and a shared commitment to building a future where all people are treated with dignity and respect.

Proposed improvements to the site include a new Holocaust Memorial Sculpture, a gathering space between the existing Dr. Martin Luther King, Jr. Memorial Statue and the new Holocaust Memorial Sculpture, seating areas, and informational kiosks.

The Dr. Martin Luther King, Jr. Memorial Statue in Marshall Park is owned by Mecklenburg County. Upon completion, the new Holocaust Memorial Sculpture would also be owned by Mecklenburg County. Mecklenburg County would intend to relocate both memorials if/when Marshall Park is amended as part of the Brooklyn Village redevelopment project.

Upon completion of the installation of the new Holocaust Memorial Sculpture and other elements of the project, these improvements would be donated to Mecklenburg County.

The current Holocaust Memorial within Marshall Park is owned by Mecklenburg County. Upon completion of the project, the current Holocaust Memorial would be decommissioned and located to an appropriate offsite location.

25-0359 JUVENILE CRIME PREVENTION COUNCIL (JCPC) UPDATE TO PROPOSED FY25 FUNDING

Motion was made by Commissioner Leake, seconded by Commissioner Altman, and unanimously carried, to approve revised FY25 funding allocation plan as recommended by the Mecklenburg County Juvenile Crime Prevention Council (JCPC).

Background: The Mecklenburg County Juvenile Crime Prevention Council (JCPC) received \$2,051,713 in FY25 funding from the North Carolina Department of Public Safety (NCDPS). The Board approved item #24-0206 on April 16th, 2024, and it was increased by \$8,655 with NCDPS Discretionary Funds, which the Board approved item #25-0288 on May 20th, 2025, to recognize, receive, and appropriate the funds for Mecklenburg County Criminal Justice Services. This funding plan update is due to two programs updating their local funding match. Youth Development Initiatives-YDI Family Life Skills Academy is increasing their local in-kind match and Youth Style Fitness, Inc is changing part of its local funding from In-Kind to cash match.

25-0363 BUDGET AMENDMENT – PARK AND RECREATION – PARK OPERATIONS – REVENUE INCREASE

Motion was made by Commissioner Leake, seconded by Commissioner Powell, and unanimously carried, to recognize, receive and appropriate an increase of \$14,900 in revenue to Park and Recreation general fund (0001) for reimbursement for irrigation installation.

Background: This is a partnership with Charlotte-Mecklenburg Schools (CMS) to split the cost for installation of an irrigation system at E.E. Waddell High School football field, allowing Park and Recreation to use the field to host all athletic rentals that were scheduled at Southside Park for at least the next 2 years. Southside Park has been closed for evaluation/testing from the recommendation of NC Department of Environmental Quality (DEQ). CMS is reimbursing the County for half the cost of the irrigation system in order to maintain the field at game ready standards.

25-0369 GRANT APPLICATION – NC DEPARTMENT OF PUBLIC SAFETY GOVERNOR’S CRIME COMMISSION

Motion was made by Commissioner Leake, seconded by Commissioner Griffin, and unanimously carried, to affirm the submission of a grant application for funding in the amount of up to \$700,000 to the NC Department of Public Safety Governor's Crime Commission, the administrator of the State Crisis Intervention Program (BYRNE-SCIP) and Community Violence Intervention and Prevention Initiative (CVIPI) grant program, in the General Grant Fund (G001); and

recognize, receive and appropriate the award amount to the General Grant Fund (G001) within Community Support Services; and adopt the required grant project ordinance for the NC Department of Public Safety Governor's Crime Commission grant in the General Grant Fund (G001).

Background: In partnership with Mecklenburg County and Atrium Health, Legal Aid of North Carolina-Charlotte (LANC) proposes a hospital-based legal services initiative in Charlotte to deliver civil legal assistance to victims of violence, with a focus on but not limited to gun violence. Gun violence disproportionately impacts underserved communities in Charlotte, especially youth and people of color. This project targets victims identified in emergency and trauma care settings, providing legal information and representation related to housing, safety, and other stability-focused needs.

Studies show that access to medical-legal partnership (MLP) services plays a key role in reducing the effects of harmful social drivers of health and improving outcomes for trauma patients, including victims of family and intimate partner violence.

LANC will collaborate with Atrium Health Carolinas Medical Center (CMC) and Mecklenburg County. Atrium will identify trauma patients affected by gun violence and refer them to LANC’s onsite legal staff. The County will support coordinated case planning and wraparound referrals. Partnerships will be formalized via MOUs detailing shared responsibilities, warm referral systems, and joint case tracking. Funding will support attorney salaries.

The award project period is October 1, 2025, through September 30, 2027. The submission date was April 30, 2025.

This item was pulled by Commissioner Leake for clarity and/or public awareness.
