 30 to 45

---

**Interests & Experiences****Education**

---

PhD Chemical Engineering - University of Minnesota (2010); MBA - Quantic School of Business (2019); BS Chemical Engineering - Iowa State University (2004)

Hyconix, Inc

Employer

Lead Engineer

Occupation

---

## Business and civic experience

I currently work as lead engineer at a chemical firm (Hyconix, since 2018). Previously, I worked as an engineer at Sherwin-Williams (2015-2018) and as an engineer and a regulatory compliance coordinator at Phillips 66 (2010-2015). I have worked on major capital projects (>\$1M) at current and past employers and have experience setting and keeping project timelines. I have experience overseeing budgets of >\$1M for projects at external vendors (contractors and universities). I have managed small and large diverse teams in my career and have successfully worked to complete projects in different regions of the US as well as in India, China, Singapore, France, and Italy.

---

## Area of expertise and interests/skills

I am a chemical engineer experienced with both hands-on problem-solving and economic and financial evaluation. I have experience making decisions on technology options (both equipment and IT solutions) to fit within budget constraints and am savvy with current office and database software with some experience using ERP software. I have extensive experience presenting and selling ideas to leadership.

---

## Additional Comments

I am an inventor on five US patents.

---

## Additional Information

**If you are or have ever served on a Mecklenburg County board/commission, please answer yes or no. If yes, please disclose the Board and term-end date.**

No

---

## Why are you interested in serving on the board(s) to which you are applying?

The boards I am interested in all deal with technology or logistics issues for which an engineering and technology back can help evaluate solutions.

---

## Have you attended a meeting of the advisory board(s) to which you are applying?

Yes  No

---

## Hours Per Month Available for Position

40. I am 90% remote (since before COVID) and have a flexible schedule to be able to attend meetings. I am able to make additional time to put in the legwork to research proposed solutions to problems.

---

## How did you learn of the vacancy? \*

## SHVETKETU PANDYA

13128 Arrington Hts Pl, Charlotte, NC 28278 (980) 272-8716 shvetketupandya@yahoo.com

### OVERVIEW

---

Harbinger of good things, collaborative, detail-oriented, self-starter, fast-learner, and 30+ year solution driven career backed by first time right approach.

### PROFESSIONAL EXPERIENCE

---

#### AT&T

Charlotte, NC

Senior RAN Engineer

December 2005 – Present

- Designed, implemented, and optimized market shift from 3G to 5G cellular technologies
- Managed key Charlotte market networks, ranking it top 3 in the entire AT&T US market
- Oversaw communication support for major events such as the DNC, RNC, and Major League sports
- Supported communication for first responders (FirstNet) and during natural disasters
- Collaborated with sales and other team members to achieve highest customer satisfaction
- Resolved macro, small cells, DAS, O-DAS, C-RAN, and V-RAN network issues

#### Wireless Facilities Inc. (WFI)

Various Locations, US

Senior Engineer

February 2001 – December 2005

- Team lead on design and implementation of Cingular Wireless first 3G network in Utah
- Assisted AT&T Wireless (AWS) in their acquisition to Cingular Wireless
- Worked in Redmond, WA HQ of AT&T Wireless for their nationwide best-in-class network
- Saved thousands in recurring costs by optimizing Verizon Wireless backhaul network for Tennessee

#### NOKIA Networks

New Delhi, India

Telecom and Installation Planner

May 1996 – February 2001

- Established greenfield 2G cellular and microwave projects in various Indian states valued at millions of dollars
- Assisted sales in securing network contracts worth millions
- Consulted clients in optimization and efficient running of cellular networks
- Worked in the Philippines, Singapore, and New Zealand to support NOKIA networks

#### TATA-LUCENT

Gandhinagar, India

Senior Engineer

November 1994 – May 1996

- Headquarter point of contact for regional markets support in various national projects related to microwave, fiber, and communication networks
- Assisted Indian Army in their communication projects in Kashmir, India

#### Gujarat Communications & Electronics Ltd.

Vadodara, India

Engineer

February 1989 – November 1994

- Implemented various early projects in India including telemetry, satellite, microwave, point-to multi-point communications, and getting customer approval
- Assisted in R&D, and production of RF products
- Operated numerous communications instruments in a production environment

### EDUCATION

---

Jack Welch Management Institute

Charlotte, NC

Master of Business Administration

April 2015 – March 2018

- GPA: 4.0/4.0, Welch Scholar Distinction

**Sardar Patel University**

Bachelor of Engineering in Electronics Engineering

- GPA: 3.78/4.0, Graduated with Distinction

Vallabh Vidyanagar, India

1984 – 1988

**ADDITIONAL**

---

- **Languages:** Hindi and Gujarati
- **Programs and Technology:** Microsoft Office, Power BI, Tableau, SQL, Python, Big data
- **Credentials:** Multi-discipline trained by AT&T and NOKIA for technology, ethics, and leadership
- **Personal time:** Yoga, Reading, Travelling, and Community help

### **Chief Information Security Officer and Leader**

Accomplished cybersecurity professional with proven leadership, information security, technical and healthcare business acumen; looking to leverage this experience coupled with a flair for communication and ability to foster interpersonal relationships to help drive cybersecurity culture, maturity, and effectiveness.

### Experience

#### **North Wonders, Charlotte NC Founder**

**2017 - Present**

Working as an independent consultant established a cybersecurity practice specializing in cyber strategic planning and executive services.

- Cyber offerings and deliverables include assessments, rapid-maturity engagements, compliance oversight, strategy and roadmap development, merger support, and enterprise program redesign and reorganization.
- Successfully led companies through complex audits and certification exercises including SOC2, HiTrust, and various third-party assessments.
- Worked with a variety of clients from large enterprises down to dynamic start-ups in numerous industries (finance, healthcare, manufacturing, energy) and business models (traditional, cloud-native, managed services, SaaS, consulting).

#### **Gray Matter Analytics, Chicago IL Chief Information Security Officer [fractional, contractor]**

**2019 - Present**

Ongoing and open-ended work as fractional CISO providing security expertise to quickly growing data analytics SaaS provider with annual revenues of \$20M.

- Executive oversight of organizational Data Protection Program with overall responsibility for cyber security, data privacy, and compliance.
- Build and operate various functions in support of organizational Data Protection Program including program planning, internal audit, technical assessments, cloud control assessments, cyber insurance, third party testing, vendor and client interactions, and executive and Board presentations.
- Work with CTO and staff to ensure implementation of technical controls needed to support the program.
- Successfully execution and maintenance of organizational SOC2 audits.

#### **PeaceHealth, Vancouver WA Vice President, Chief Information Security Officer [interim, contractor]**

**2018 - 2019**

Built out new CISO office within the Legal department. Provided executive leadership for information security for a multi-state integrated healthcare system with annual revenues of \$2.5B.

Terrence Ziemniak

- Executed upon executive leadership vision of independent CISO office residing outside of IT. Partnered with IT, Compliance, Legal, and HR to work through reorganization of departments, staffing and responsibilities.
- Introduced new, formalized program components including a senior leadership governance, cyber risk management, and information governance.
- Utilizing audits, assessments, risk register and leadership input, produced multi-year security roadmap. Secured buy-in from executive leadership. Worked with stakeholders to execute upon plan.
- Built strong relationships with senior leadership throughout organization. Represented PeaceHealth in external collaboratives and organizations.
- Designed and executed program to ensure alignment with NIST Cybersecurity framework. Executed gap analysis and produced roadmap to address deficiencies.
- Extended scope of key security functions (e.g., incident response) to formally incorporate systems managed by partners and vendors.

**Carolinas Healthcare, Charlotte NC**

**2016 - 2017**

**Assistant Vice President, Chief Information Security Officer**

Led strategy, operations, and budget for information security across large integrated healthcare system including 18 hospitals with annual revenues of \$5.9B.

- Built-out multi-year security roadmap incorporating input from executive leadership, external consultancy, internal and external stakeholders. Reported on, updated, and executed roadmap ensuring appropriate level of protection for enterprise assets.
- Implemented and led CISO collaborative that included 20 partner hospitals. Leveraged partnerships to drive down costs for licensing and services for members – with forecasted savings of \$1.7M. Led tracking and reporting of high visibility security events to shared leadership.
- Designed comprehensive, multi-channel outreach program to provide role specific, timely security education and awareness for the enterprise. Included metrics showing targeted education programs decreased risky behavior by 56%.
- Accountable for enterprise Data Governance Office. Oversaw acquisition and build out of Master Data Management program including tools, reporting and formal governance structure.
- Expanded cybersecurity program scope to include devices and applications managed by outside agencies, built collaborative process to foster coordinated responses with key partners for pandemic security events.

**Presence Healthcare, Chicago IL**

**2008 - 2016**

**Director, IS Security**

Information Security Officer for integrated health system consisting of 12 hospitals and annual revenue of \$2.6B.

- Partnered with IS and business leaders to implement risk-based approach to corporate IS security. Built out or expanded many programs such as risk assessments, data loss prevention, vulnerability management, departmental auditing program and security awareness and training program.

Terrence Ziemniak

- Played key role in IS activities associated with merger of two large healthcare systems as well as during divestiture of multiple hospitals.
- Oversaw IS disaster preparedness program that was responsible for providing guidance and standards for technology disaster avoidance and recovery. Led in-housing of disaster recovery services from SunGard – saved annual costs of \$800K while improving overall capabilities.
- Oversaw technical projects led by security staff such as workstation encryption, automated account provisioning, and data loss prevention.
- Designed and implemented internal security consulting program by which security staff participated in all major IS initiatives ensuring solutions are compliant with policies and security best practices.
- Oversaw project to centralize and automate account management activities for 20K enterprise workforce members.

**Sears Holdings Corporation, Hoffman Estates, IL**  
**Security Operations Manager**

**2006 - 2008**

Managed team of security engineers responsible for vulnerability management, intrusion detection and computer incident response for a Fortune 100 organization.

- Led efforts to redesign corporate vulnerability management program. The resulting program supported 70-fold increase in number of devices, automated reporting and advanced remediation tracking mechanisms.
- Worked with corporate audit and compliance, implemented programs helping organization maintain compliance to PCI, HIPAA, SOX, and other internal corporate standards.

**Healthcare Information Services, Des Plaines, IL 2004 - 2006**  
**HIPAA Security Officer**

Information Security Officer for large orthopedic practice with over 50 locations and \$100M in annual revenue.

- Designed and executed HIPAA compliant security program covering corporate offices, seven health care practices, and a medical practice services organization.

Related Experience

**Subject, Wills, & Company, Oakbrook IL - Security Engineer**

**iFulfillment, Inc., Chicago, IL - Senior Manager, IT**

**Sage Enterprise, Rosemont, IL - Network Manager**

Education

**Master of Science, Information System Security - DePaul University, Chicago, IL**

**Bachelor of Science, Computer Science - Michigan State University, East Lansing, MI**

Terrence Ziemniak

### Certifications and Appointments

- Certified Information Systems Security Professional (CISSP)
- Fellow of the American College of Healthcare Executives (FACHE)
- Board of Directors for non-profit cybersecurity intelligence collaboration organization, Executive Partnership for Integrated Collaboration

### Publication and Speaking Engagements

- “System Characteristics for Risk Management Activities”, International Systems Security Association Journal, May 2008
- “Use of Machine Learning Classification Techniques to Detect Atypical Behavior in Medical Applications”, Sixth International Conference on IT Security Incident Management and IT Forensics, Stuttgart, Germany, 2011
- Frequent speaker at conferences throughout the country including HIMSS, ACM, IEEE, and Infragard.

Mecklenburg County, NC

# Information Services & Technology Committee

## Board Details

The Information Services & Technology Committee serves as an advisory group to the Board of County Commissioners and reviews plans at a conceptual level for major new automated systems with respect to justification of the system; adequacy of the system functions; appropriateness of the technical approach; availability of technology and personnel resources; to advise on how business as a whole is accomplishing or approaching challenges; and, to provide feedback to the Board when necessary on ITS challenges.

## Overview

- **Size** 12 Seats
- **Term Length** 3 Year
- **Term Limit** 2 Terms

## Contact

- **Name** Keri Carver
- **Phone** (980) 314-2152

## Additional

**Qualifications**

Members should have expertise in managing Information Systems. Persons serving must be a resident of Mecklenburg County. Appointed members must attend a minimum of 65% of all scheduled meetings in a calendar year and cannot miss three consecutive meetings. Failure to comply with attendance requirements will result in removal from the advisory board.

**Advisory Board Details**

The Committee validates the processes associated with implementation of automation plans including those used in the selection of equipment and service vendors. While performing these duties, the Committee provides appropriate coordination with any existing advisory bodies that may also have interest in the planned systems. The Committee reviews the plans of the ITS Department, of major automation projects and periodically reports to the Board of County Commissioners as to the same if necessary.

**Meeting Dates/Times**

Monthly - 3rd Friday at 7:30 a.m.

**Meeting Location**

Valerie C. Woodard Center - 3205 Freedom Dr., Charlotte, NC 28208, Suite 107

**Time Commitment**

1.5 hour for 10 out of 12 months

**Stipend**

No

**Special Notes****Job Description**
