

**2017 Board Annual Retreat
County Commissioner's Topic of Interest
Submitted by: [Commissioner Dulap](#)**

Topic of Interest: [Task Force Appointment Qualifications](#) - I have a concern that when task forces are being formed for whatever the reason, we often don't have the right people at the table. I'm curious to know if there is something that the county can do to help facilitate that?

Response:

This item will be assigned to the Ad Hoc Advisory Boards Comprehensive Review Committee. The members of the committee are: Commissioners Dunlap (chair), Leake, James, and Puckett.
