Subject: [External]Oppose Property Tax Increase

County Commissioners,

I ask that you vote against this proposed tax increase. We just went through a property revaluation which doubled and tripled home prices, which is a tax in itself. The city is proposing a tax increase. Now the county wants a tax increase. That's the equivalent of three tax increases. You're going to tax the middle class out of this county! Please stop and listen to the people it will impact the most.

Thank you,
Scott Wilson
