

MINT HILL VOLUNTEER FIRE DEPARTMENT
AND EMERGENCY AMBULANCE SERVICE

EMERGENCY: DIAL 911

June 27, 2019

Chief Ted Panagiotopoulos

Fire Marshall

Mecklenburg County, NC

Ted, as the Chairman of the Board of Directors of Mint Hill Volunteer Fire Department Inc., Mint Hill, NC, I am informing you that effective 23:59 hrs. on June 30, 2020, the Mint Hill VFD will no longer provide fire service to the fire district that we have so faithfully and professionally done since 1952.

With the growth of our area, as a volunteer department, we find it difficult to provide the level of service that will be needed. This is because the lack of volunteer members and the financial cost to operate is growing beyond what we will be able to meet. Until that date we will continue to provide the best service that is possible, which will be the best of all.

We expect the Town of Mint Hill, NC to take over the fire operations of the entire fire district which includes the Town limits and the existing ETJ areas.

Thank you for the support you give to the volunteer departments in this county.

Respectfully,

A handwritten signature in black ink that reads "Jerry Mullis".
