

ICE OUT! WE SAY NO TO COP CITY!

The County Board of Commissioners is allocating \$116

million of our tax dollars to Central Piedmont Community College to build a \$118 million law enforcement training facility. While officials at CPCC have had private meetings with federal agencies, like Immigration and Customs Enforcement (ICE) and the Department of Homeland Security (DHS), on input for this project, the County refuses to answer basic questions about this project nor have a public process about this project.

Cop City:

- diverts money from the public education budget
- plans to clear cut 30 acres of undeveloped forest
- includes a mock prison, fire range, and burn tower on a college and high school campus
- potentially contracts with federal agencies to train ICE

WE DEMAND:

1. **REFUSE** to allocate more funding to CPCC's Cop City
2. **CANCEL** any existing agreements between the County and CPCC for funding of Cop City
3. **CONDUCT AN AUDIT** on the process thus far for approval of the \$116 million for Cop City
4. **HOLD** a public forum on alternatives to community safety and wellbeing
5. **RE-ALLOCATE** the \$116 million currently for Cop City through a participatory budgeting process

Our money allocated to public
schools should be used
for just that, public schools.

Police Training Facilities

that do not focus on

Kids deserve to get
the benefits of a fully
funded education.
Adopt's can compromise,
but rearing kids needs
like a commodity won't
make for a good community.
