#### BACKGROUND/JUSTIFICATION:

To fill the need for youth ball fields in Pineville, Charlotte-Mecklenburg Board of Education and Mecklenburg County Park and Recreation have entered into an agreement for construction and use of a youth baseball field and two tee ball fields on available property at the new Pineville Elementary School (August, 2013). Additionally, Mecklenburg County has entered a Filed Use and Maintenance Agreement with the Town of Pineville to jointly use and manage the site upon completion of the construction. In the FY15 budget, the County approved \$100,000 towards the total project cost of \$400,000 for the construction of these fields. It was also agreed that Mecklenburg County Park and Recreation would be the agent to manage the construction and Pineville will transfer \$300,000 to the County within 30 days of Board approval.

The Field Use and Maintenance Agreement outlines the purpose and operating terms between the County Park and Recreation Department and the Town of Pineville. The Agreement for Construction and Use of the School Athletic Fields and Parking Lot approves the construction of the fields and outlines the terms and conditions for use of the school property.
