James,

Please accept this email as official notice that Queens University of Charlotte relinquishes the rights to use the previously discussed Right of Entry for Southview ball fields. Instead we will just proceed under the reservation request and approval formant and pay for all times granted for usage.

Please let me know if you need anything further or a more formal document stating our intentions.

Cheri/Randle,

Please see Marvin's comments below and provide your written statement to me no later than close of business Friday (3/2/18). We need to prepare and expedite a board action to rescind the agreement to improve/use the fields at Southview Park.

Thanks

Greg,

In answer to Mario's question with respect to the ROE to Queens, just ask Queens to send an email indicating that they are relinquishing their rights to use the ROE.
