Al,
Hope all is well with you. We are planning on applying for the grant again in 2018. Can we count on PFP for a matching grant of \$1,200.00?

Thanks

Good Morning and Happy New Year to y'all.

Yes, we have money in our Partners for Parks Tennis Scholarship Fund Account to pay for this matching tennis equipment grant. As I understand the attached we would pay \$1,450 for \$2,400 worth of equipment that would be used in the Tennis Lessons Scholarship Program.

Preston, please prepare the appropriate grant forms and submit them to Patsy for Jim's approval. If time is short, this process can be accomplished via email.

Thanks for your partnership with Partners for Parks and for all you do in your Youth Tennis Program for our Community, Al

Al,
Happy New Year. Hope you had a great holiday season. Please see below. We've used funds from PFP in the past and we are wondering if there are any funds remaining in the restricted tennis account that can be used?

Thanks

James,
We have done this in the past and it really helps our pro's. We have used partners for parks money in the past, but I am not sure if anything is left in that account. I know we have been trying to spend that out. The total cost for the department would be \$1450.00 for \$2,400 worth of equipment. If you think we have the money, I will put together the board request since it is a grant. Thanks

Preston
