Mecklenburg County, North Carolina
600 East Fourth Street -11th Floor
Charlotte, North Carolina 28202

Ladies and Gentlemen:

This engagement letter between Mecklenburg County, North Carolina (hereinafter referred to as the “County” or “you” or “your” or “management”) and Cherry Bekaert LLP (the “Firm” or “Cherry Bekaert” or “we” or “us” or “our”) sets forth the nature and scope of the services we will provide, the County’s required involvement and assistance in support of our services, the related fee arrangements, and other Terms and Conditions, which are attached hereto and incorporated by reference, designed to facilitate the performance of our professional services and to achieve the mutually agreed-upon objectives of the County.

SUMMARY OF SERVICES

We will provide the following services to the County as of and for the year ending June 30, 2018:

Audit and attestation services

1. We will audit the basic financial statements of the County as of and for the year ending June 30, 2018 including the governmental activities, the business type activities, the aggregate discretely presented component units, each major fund and the remaining fund information. We will not audit the Mecklenburg County Alcoholic Beverage Control Board. We will refer to the component auditor in our audit opinion.
2. We will audit supplementary information other than RSI, including the schedule of expenditures of federal awards. As part of our engagement we will apply certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.
3. The additional information, such as the letter of transmittal and statistical section, accompanying the financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements and our auditor’s report will not provide an opinion or any assurance on that information
4. We will apply limited procedures to the County’s required supplementary information (e.g., pension plan information or County’s management’s discussion and analysis (MD&A)) which will consist of inquiries of County’s management about the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the financial statements.

Nonattest accounting and other services

We will provide the following additional services:

5. Complete the appropriate sections of and sign the Data Collection Form.

YOUR EXPECTATIONS

As part of our planning process, we have discussed with you your expectations of Cherry Bekaert, changes that occurred during the year, your views on risks facing you, any relationship issues with Cherry Bekaert, and specific engagement arrangements and timing. Our service plan, which includes our audit plan, is designed to provide a foundation for an effective, efficient, and quality-focused approach to accomplish the engagement objectives and meet or exceed the County's expectations. Our service plan will be reviewed with you periodically and will serve as a benchmark against which you will be able to measure our performance. Any additional services that you may request, and that we agree to provide, will be the subject of separate written arrangements.

The County recognizes that our professional standards require that we be independent from the County in our audit of the County's financial statements and our accompanying report in order to ensure that our objectivity and professional skepticism have not been compromised. As a result, we cannot enter into a fiduciary relationship with the County and the County should not expect that we will act only with due regard to the County's interest in the performance of this audit and the County should not impose on us special confidence that we will conduct this audit with only the County's interest in mind. Because of our obligation to be independent of the County, no fiduciary relationship will be created by this engagement or audit of the County's financial statements.

The engagement will be led by April Adams, who will be responsible for assuring the overall quality, value, and timeliness of the services provided to you.

AUDIT AND ATTESTATION SERVICES

The objective of our audit is the expression of opinions as to whether the County's basic financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the additional information referred to in the Summary of Services section when considered in relation to the basic financial statements taken as a whole. The objective also includes reporting on:

- Internal control over financial reporting and compliance with the provisions of applicable laws, regulations, contracts, and grant agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with laws, regulations and the provisions of contracts or grant agreements that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance") and the State Audit Implementation Act

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the County's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance and State Audit Implementation Act report on

internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and the State Single Audit Implementation Act. These reports will state that the report is not suitable for any other purpose.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the provisions of Uniform Guidance; the Single Audit Act Amendments of 1996; State Single Audit Implementation Act and OMB *Guidance for Grants and Agreements* (2 CFR 200), and will include tests of accounting records, a determination of major programs in accordance with Uniform Guidance, and other procedures as deemed necessary to enable us to express such opinions. We will also issue written reports upon completion of our Single Audit. We cannot provide assurance that an unmodified opinion will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion or add emphasis-of-matter or other-matter paragraphs. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express opinions or issue reports, or may withdraw from this engagement.

NONATTEST ACCOUNTING AND OTHER SERVICES

The accounting and other services described in this section are nonaudit services, which do not constitute audit services under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*. We will perform the services in accordance with applicable professional standards. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming County's management responsibilities.

Data Collection Form

We will complete the appropriate sections of and sign the Data Collection Form that summarizes our audit findings. We will provide copies of our reports to the County; however, it is the County's management's responsibility to submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the designated federal audit clearinghouse and, if appropriate, to pass-through entities. The Data Collection Form and the reporting package must be submitted within the earlier of 30 days after receipt of the auditors' reports or nine months after the end of the audit period.

County's management's responsibilities related to accounting and other services

For all nonattest services we perform in connection with the engagement, you are responsible for designating a competent employee to oversee the services, make any management decisions, perform any management functions related to the services, evaluate the adequacy of the services, and accept overall responsibility for the results of the services.

Prior to the release of the report, the County's management will need to sign a representation letter acknowledging its responsibility for the results of these services.

COUNTY'S MANAGEMENT'S RESPONSIBILITIES RELATED TO THE AUDIT

The County's management is responsible for (1) designing, implementing, and maintaining effective internal controls, including internal controls over federal awards, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that the County's management and financial information is reliable and properly reported. Your responsibilities include adjusting the financial statements to correct material misstatements and for confirming to us in the written representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) the County's management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or other. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations contracts, agreements, and grants and for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, or grant agreements, or abuse that we report. Additionally, as required by the Uniform Guidance, it is the County's management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan.

The County's management is responsible for identifying all federal awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal awards (including notes and noncash assistance received) in conformity with the Uniform Guidance. You agree to include our report on the schedule of expenditures of federal awards in any document that contains and indicates that we have reported on the schedule of expenditures of federal awards. You also agree to make the audited financial statements readily available to intended users of the schedule of expenditures of federal awards no later than the date the schedule of expenditures of federal awards is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period or, if they have changed, the reasons for such changes; and (4) the County has disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards.

You are responsible for the preparation of the supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles ("GAAP"). You agree to include our report on the supplementary information in any document that contains and indicates that we have reported on the supplementary information. You also agree to make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.

The County's management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. The County's management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or other studies. You are also responsible for providing County's management views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

The County's management agrees to assume all management responsibilities relating to the financial statements, schedule of expenditures of federal awards, and related notes and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, schedule of expenditures of federal awards, and related notes and that you have reviewed and approved the financial statements, schedule of expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services;

and accept responsibility for them. The Firm will rely on the County's management providing these representations to us, both in the planning and performance of the audit, and in considering the fees that we will charge to perform the audit.

FEES

The estimated fee contemplates only the services described in the Summary of Services section of this letter. If the County's management requests additional services not listed above, we will provide an estimate of those fees prior to commencing additional work.

The following summarizes the fees for the services described above:

<u>Description of Services</u>	<u>Estimated Fee</u>
Audit services	
Audit of the financial statements	\$177,000

Single Audit Programs - Note the fee described above includes the assumption that major grant compliance work to be performed in accordance with Title 2 U.S Code of Federal Regulations (CFR) Part 200 and the State Single Audit Implementation Act will remain at a similar level to prior years. The major programs differ in size, complexity, and the number of required compliance elements to be completed in accordance with Title 2 U.S Code of Federal Regulations (CFR) Part 200 and the State Single Audit Implementation Act. Our existing fee assumes that we will be auditing no more than ten single audit programs in the current year. If there are more than ten single audit programs selected as major programs in the current year, each additional program audit will be charged at a rate of \$2,500 per additional program.

The fees will be billed periodically. Invoices are due on presentation. A service charge will be added to past due accounts equal to 1½% per month (18% annually) on the previous month's balance less payments received during the month, with a minimum charge of \$2.00 per month.

If the foregoing is in accordance with your understanding, please sign a copy of this letter in the space provided and return it to us. If you have any questions, please call April Adams at 919-782-1040.

Sincerely,

CHERRY BEKAERT LLP

Engagement Letter Terms and Conditions

The following terms and conditions are an integral part of the attached engagement letter and should be read in their entirety in conjunction with your review of the letter.

LIMITATIONS OF THE AUDIT REPORT

Should the County wish to include or incorporate by reference these financial statements and our report thereon into *any* other document at some future date, we will consider granting permission to include our report into another such document at the time of the request. However, we may be required by generally accepted auditing standards ("GAAS") to perform certain procedures before we can give our permission to include our report in another document such as an annual report, private placement, regulator filing, official statement, offering of debt securities, etc. You agree that the County will not include or incorporate by reference these financial statements and our report thereon, or our report into any other document without our prior written permission. In addition, to avoid unnecessary delay or misunderstandings, it is important to provide us with timely notice of your intention to issue any such document.

LIMITATIONS OF THE AUDIT PROCESS

In conducting the audit, we will perform tests of the accounting records and such other procedures as we consider necessary in the circumstances to provide a reasonable basis for our opinion on the financial statements. We also will assess the accounting principles used and significant estimates made by the County's management, as well as evaluate the overall financial statement presentation.

Our audit will include procedures designed to obtain reasonable assurance of detecting misstatements due to errors or fraud that are material to the financial statements. Absolute assurance is not attainable because of the nature of audit evidence and the characteristics of fraud. For example, audits performed in accordance with GAAS are based on the concept of selective testing of the data being examined and are, therefore, subject to the limitation that material misstatements due to errors or fraud, if they exist, may not be detected. Also, an audit is not designed to detect matters that are immaterial to the financial statements. In addition, an audit conducted in accordance with GAAS does not include procedures specifically designed to detect illegal acts having an indirect effect (e.g., violations of fraud and abuse statutes that result in fines or penalties being imposed on the County) on the financial statements.

Similarly, in performing our audit we will be aware of the possibility that illegal acts may have occurred. However, it should be recognized that our audit provides no assurance that illegal acts generally will be detected, and only reasonable assurance that illegal acts having a direct and material effect on the determination of financial statement amounts will be detected. We will inform you with respect to errors and fraud, or illegal acts that come to our attention during the course of our audit unless clearly inconsequential. In the event that we have to consult with the County's counsel or counsel of our choosing regarding any illegal acts we identify, additional fees incurred may be billed to the County. You agree that the County will cooperate fully with any procedures we deem necessary to perform with respect to these matters.

We will issue a written report upon completion of our audit of the County's consolidated financial statements. If, for any reason, we are unable to complete the audit, or are unable to form, or have not formed an opinion on the financial statements, we may decline to express an opinion or decline to issue a report as a result of the engagement. We will notify the appropriate party within your organization of our decision and discuss the reasons supporting our position.

AUDIT PROCEDURES – GENERAL

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve professional judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by the County's management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the County or to acts by the County's management or employees acting on behalf of the County. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or major programs. However, we will inform the appropriate level of the County's management of any material errors and fraud, or illegal acts that come to our attention during the course of our audit. We will also inform you of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. Our responsibility as auditor is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditor.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

AUDIT PROCEDURES – INTERNAL CONTROLS

Our audit will include obtaining an understanding of the County and its environment, including internal controls, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to

preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. However, during the audit, we will communicate to the County's management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

AUDIT PROCEDURES – COMPLIANCE

As part of obtaining reasonable assurance about whether the basic financial statements are free of material misstatement, we will perform tests of the County's compliance with provisions of applicable laws and regulations, contracts and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the County's major programs. The purpose of these procedures will be to express an opinion on the County's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

NONATTEST SERVICES

All nonattest services to be provided in the attached engagement letter (if applicable) shall be provided pursuant to the AICPA Code of Professional Conduct. The AICPA Code of Professional Conduct requires that we establish objectives of the engagement and the services to be performed, which are described under nonattest services in the attached letter.

You agree that the County's designated individual will assume all the County's management responsibilities for the nonattest services we provide; oversee the services by designating an individual, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them. In order to ensure we provide such services in compliance with all professional standards, the designated individual is responsible for-

- Making all financial records and related information available to us.
- Ensuring that all material information is disclosed to us.
- Granting unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.
- Identifying and ensuring that such nonattest complies with the laws and regulations.

The accuracy and appropriateness of such nonattest services shall be limited by the accuracy and sufficiency of the information provided by the County's designated individual. In the course of providing such nonattest services, we may provide professional advice and guidance based on knowledge of accounting, tax, and other compliance, and of the facts and circumstances as provided by the County's designated individual. Such advice and guidance shall be limited as permitted under the Code of Professional Conduct.

COMMUNICATIONS

At the conclusion of the audit engagement, we may provide the County's management and those charged with governance a letter stating any significant deficiencies or material weaknesses which may have been identified by us during the audit and our recommendations designed to help the County make improvements in its internal control structure and operations related to the identified matters discovered in the financial statement audit. As part of this engagement we will ensure that certain additional matters are communicated to the appropriate members of the County. Such matters include (1) our responsibility under GAAS; (2) the initial selection of and changes in significant accounting policies and their application; (3) our independence with respect to the County; (4) the process used by County's management in formulating particularly sensitive accounting estimates and the basis for our conclusion regarding the reasonableness of those estimates; (5) audit adjustments, if any, that could, in our judgment, either individually or in the aggregate be significant to the financial statements or our report; (6) any disagreements with the County's management concerning a financial accounting, reporting, or auditing matter that could be significant to the financial statements; (7) our views about matters that were the subject of the County's management's consultation with other accountants about auditing and accounting matters; (8) major issues that were discussed with the County's management in connection with the retention of our services, including, among other matters, any discussions regarding the application of accounting principles and auditing standards; and (9) serious difficulties that we encountered in dealing with the County's management related to the performance of the audit.

OTHER MATTERS

Access to working papers

The working papers and related documentation for the engagement are the property of the Firm and constitute confidential information. We have a responsibility to retain the documentation for a period of time to satisfy legal or regulatory requirements for records retention. It is our policy to retain all workpapers and client information for seven years from the date of issuance of the report. It is our policy to retain emails and attachments to emails for a period of 15 months, except as required by any governmental regulation. Except as discussed below, any requests for access to our working papers will be discussed with you prior to making them available to requesting parties. Any parties seeking access to our working papers must agree to sign our standard access letter.

We may be requested to make certain documentation available to regulators, governmental agencies (e.g., SEC, PCAOB, HUD, DOL, etc.) or their representatives ("Regulators") pursuant to law or regulations. If requested, access to the documentation will be provided to the Regulators. The Regulators may intend to distribute to others, including other governmental agencies, our working papers and related documentation without our knowledge or express permission. You hereby acknowledge and authorize us to allow Regulators access to and copies of documentation as requested. In addition, our Firm, as well as all other major accounting firms, participates in a "peer review" program covering our audit and accounting practices as required by the American Institute of Certified Public Accountants. This program requires that once every three years we subject our quality assurance practices to an examination by another accounting firm. As part of the process, the other firm will review a sample of our work. It is possible that the work we perform for the County may be selected by the other firm for their review. If it is, they are bound by professional standards to keep all information confidential. If you object to having the work we do for you reviewed by our peer reviewer, please notify us in writing.

Electronic transmittals

During the course of our engagement, we may need to electronically transmit confidential information to each other, within the Firm, and to other entities engaged by either party. Although email is an efficient way to communicate, it is not always a secure means of communication and thus, confidentiality may be compromised. As an alternative, we recommend using our Client Portal ("Portal") to transmit documents. Portal allows the County, us, and other involved entities to upload and download documents in a secure location. You agree to the use of email, Portal, and other electronic methods to transmit and receive information, including confidential information between the Firm, the County, and other third-party providers utilized by either party in connection with the engagement.

Subpoenas

In the event we are requested or authorized by the County, or required by government regulation, subpoena, or other legal process to produce our working papers or our personnel as witnesses with respect to our engagement for the County, the County will, so long as we are not a party to the proceeding in which the information is sought, reimburse us for our professional time and expense, as well as the fees and expenses of our counsel, incurred in responding to such a request at standard billing rates.

Dispute resolution procedures

If any dispute, controversy or claim arises in connection with the performance or breach of this agreement, either party may, on written notice to the other party, request that the matter be mediated. Such mediation would be conducted by a mediator acceptable to both parties. Both parties would exert their best efforts to discuss with each other in good faith their respective positions in an attempt to finally resolve such dispute, controversy, or claim.

Waiver of Trial by Jury

In the event the parties are unable to successfully mediate any dispute, controversy or claim, the parties agree to WAIVE TRIAL BY JURY and agree that the court will hear any matter without a jury.

Independent Contractor

Each Party is an independent contractor with respect to the other and shall not be construed as having a trustee, joint venture, agency, or fiduciary relationship.

TERMS AND CONDITIONS SUPPORTING FEE

The estimated fees set forth in the attached engagement letter are based on anticipated full cooperation from the County's personnel, timely delivery of requested audit schedules and supporting information, timely communication of all significant accounting and financial reporting matters, the assumption that unexpected circumstances will not be encountered during the audit, as well as working space and clerical assistance as mutually agreed upon and as is normal and reasonable in the circumstances. We strive to ensure that we have the right professionals scheduled on each engagement. As a result, sudden County requested scheduling changes or scheduling changes necessitated by the agreed information not being ready on the agreed upon dates can result in expensive downtime for our professionals. Any last minute schedule changes that result in downtime for our professionals could result in additional fees. Our estimated fee does not include assistance in bookkeeping or other accounting services not previously described. If for any reason the County is unable to provide such schedules, information, and assistance, the Firm and the County will mutually revise the fee to reflect additional services, if any, required of us to achieve these objectives.

The estimated fees contemplate that the County will provide adequate documentation of its systems and controls related to significant transaction cycles and audit areas.

In providing our services, we will consult with the County with respect to matters of accounting, financial reporting, or other significant business issues as permitted by professional standards. Accordingly, time necessary to effect a reasonable amount of such consultation is reflected in our fee. However, should a matter require research, consultation, or audit work beyond that amount, the Firm and the County will agree to an appropriate revision in our fee.

The estimated fees are based on auditing and accounting standards effective as of the date of this engagement letter and known to apply to the County at this time, but do not include any time related to the application of new auditing or accounting standards that impact the County for the first time. If new auditing or accounting standards are issued subsequent to the date of this letter and are effective for the period under audit, we will estimate the impact of any such standard on the nature, timing, and extent of our planned audit procedures and will communicate with the County concerning the scope of the additional procedures and the estimated fees.

The County agrees to pay all costs of collection (including reasonable attorneys' fees) that the Firm may incur in connection with the collection of unpaid invoices. In the event of nonpayment of any invoice rendered by us, we retain the right to (a) suspend the performance of our services, (b) change the payment conditions under this engagement letter, or (c) terminate our services. If we elect to suspend our services, such services will not be resumed until your account is paid. If we elect to terminate our services for nonpayment, the County will be obligated to compensate us for all time expended and reimburse us for all expenses through the date of termination.

This engagement letter sets forth the entire understanding between the County and the Firm regarding the services described herein and supersedes any previous proposals, correspondence, and understandings whether written or oral. Any subsequent changes to the terms of this letter, other than additional billings, will be rendered in writing and shall be executed by both parties. Should any portion of this engagement letter be ruled invalid, it is agreed that such invalidity will not affect any of the remaining portions.

(Discretely Presented Component Unit)

1. The Auditor shall audit all statements and disclosures required by accounting principles generally accepted in the United States of America (GAAP) and additional required legal statements and disclosures of all funds and/or divisions of the Governmental Unit (s) for the period beginning July 1, 2017, and ending June 30, 2018. The non-major combining, and individual fund statements and schedules shall be subjected to the auditing procedures applied in the audit of the basic financial statements and an opinion shall be rendered in relation to (as applicable) the governmental activities, the business-type activities, the aggregate DPCUs, each major governmental and enterprise fund, and the aggregate remaining fund information (non-major government and enterprise funds, the internal service fund type, and the fiduciary fund types).
2. At a minimum, the Auditor shall conduct his/her audit and render his/her report in accordance with auditing standards generally accepted in the United States of America. The Auditor shall perform the audit in accordance with *Government Auditing Standards* if required by the State Single Audit Implementation Act, as codified in G.S. 159-34. If required by OMB *Uniform Administration Requirements, Cost Principles, and Audit Requirements for Federal Awards*, (Uniform Guidance) and the State Single Audit Implementation Act, the Auditor shall perform a Single Audit. This audit and all associated audit documentation may be subject to review by Federal and State agencies in accordance with Federal and State laws, including the staffs of the Office of State Auditor (OSA) and the Local Government Commission (LGC). If the audit and Auditor communication are found in this review to be substandard, the results of the review may be forwarded to the North Carolina State Board of CPA Examiners (NC State Board). **County and Multi-County Health Departments:** The Office of State Auditor will require Auditors of these Governmental Units to perform agreed upon procedures (AUPs) on eligibility determination on certain programs. Both Auditor and Governmental Unit agree that Auditor shall complete and report on these AUPs on Eligibility Determination as required by Office of the State Auditor (OSA) and in accordance with the instructions and timeline provided by OSA.
3. If an entity is determined to be a component of another government as defined by the group audit standards, the entity's Auditor shall make a good faith effort to comply in a timely manner with the requests of the group auditor in accordance with AU-6 §600.41 - §600.42.
4. This contract contemplates an unmodified opinion being rendered. If during the process of conducting the audit the Auditor determines that it will not be possible to render an unmodified opinion on the financial statements of the unit, the Auditor shall contact the SLGFD staff to discuss the circumstances leading to that conclusion as soon as is practical and before the final report is issued. The audit shall include such tests of the accounting records and such other auditing procedures as are considered by the Auditor to be necessary in the circumstances. Any limitations or restrictions in scope which would lead to a qualification should be fully explained in an attachment to this contract.

Discretely Presented Component Unit (DPCU) if applicable

5. If this audit engagement is subject to the standards for audit as defined in *Government Auditing Standards*, 2011 revisions, issued by the Comptroller General of the United States, then by accepting this engagement, the Auditor warrants that he has met the requirements for a peer review and continuing education as specified in *Government Auditing Standards*. The Auditor agrees to provide a copy of their most recent peer review report regardless of the date of the prior peer review report to the Governmental Unit and the Secretary of the LGC prior to the execution of the audit contract. **If the audit firm received a peer review rating other than pass**, the Auditor shall not contract with the Governmental Unit without first contacting the Secretary of the LGC for a peer review analysis that may result in additional contractual requirements.

If the audit engagement is not subject to Government Accounting Standards or if financial statements are not prepared in accordance with GAAP and fail to include all disclosures required by GAAP, the Auditor shall provide an explanation as to why in an attachment.

6. It is agreed that time is of the essence in this contract. All audits are to be performed and the report of audit submitted to the SLGFD within four months of fiscal year end. Audit report is due on: October 31, 2018. If it becomes necessary to amend this due date or the audit fee, an amended contract along with a written explanation of the delay shall be submitted to the Secretary of the LGC for approval.
7. It is agreed that generally accepted auditing standards include a review of the Governmental Unit's systems of internal control and accounting as same relate to accountability of funds and adherence to budget and law requirements applicable thereto; that the Auditor shall make a written report, which may or may not be a part of the written report of audit, to the Governing Board setting forth his findings, together with his recommendations for improvement. That written report shall include all matters defined as "significant deficiencies and material weaknesses" in AU-C 265 of the *AICPA Professional Standards (Clarified)*. The Auditor shall file a copy of that report with the Secretary of the LGC.
8. All local government and public authority contracts for audit or audit-related work require the approval of the Secretary of the LGC. This includes annual or special audits, agreed upon procedures related to internal controls, bookkeeping or other assistance necessary to prepare the Governmental Unit's records for audit, financial statement preparation, any finance-related investigations, or any other audit-related work in the State of North Carolina. **Invoices for services rendered under these contracts shall not be paid by the Governmental Unit until the invoice has been approved by the Secretary of the LGC.** (This also includes any progress billings.) [G.S. 159-34 and 115C-447] All invoices for Audit work shall be submitted in PDF format to the Secretary of the LGC for approval. The invoices shall be sent via upload through the current portal address: <https://nctreasurerslgfd.leapfile.net>. Subject line should read "Invoice – [Unit Name]. The PDF invoice marked 'approved' with approval date shall be returned by email to the Auditor to present to the Governmental Unit for payment. Approval is not required on contracts and invoices for system improvements and similar services of a non-auditing nature.
9. In consideration of the satisfactory performance of the provisions of this contract, the Primary Government shall pay to the Auditor, upon approval by the Secretary of the LGC, the fee, which includes any cost the Auditor may incur from work paper or peer reviews or any other quality assurance program required by third parties (Federal and State grantor and oversight agencies or other organizations) as required under the Federal and State Single Audit Acts. **(Note: Fees listed on Fees page.)** This does not include fees for any Pre-Issuance reviews that may be required by the NC Association of CPAs (NCACPA) Peer Review Committee or NC State Board of CPA Examiners (see Item #12).
10. If the Governmental Unit has outstanding revenue bonds, the Auditor shall submit to the SLGFD either in the notes to the audited financial statements or as a separate report, a calculation demonstrating compliance with the revenue bond rate covenant. Additionally, the Auditor shall submit to the SLGFD simultaneously with the

Governmental Unit's audited financial statements any other bond compliance statements or additional reports required by the authorizing bond documents, unless otherwise specified in the bond documents.

11. After completing the audit, the Auditor shall submit to the Governing Board a written report of audit. This report shall include, but not be limited to, the following information: (a) Management's Discussion and Analysis, (b) the financial statements and notes of the Governmental Unit and all of its component units prepared in accordance with GAAP, (c) supplementary information requested by the Governmental Unit or required for full disclosure under the law, and (d) the Auditor's opinion on the material presented. The Auditor shall furnish the required number of copies of the report of audit to the Governing Board as soon as practical after the close of the fiscal year end.
12. If the audit firm is required by the NC State Board, the NCACPA Peer Review Committee, or the Secretary of the LGC to have a pre-issuance review of its audit work, there shall be a statement in the engagement letter indicating the pre-issuance review requirement. There also shall be a statement that the Governmental Unit shall not be billed for the pre-issuance review. The pre-issuance review shall be performed **prior** to the completed audit being submitted to the SLGFD. The pre-issuance review report shall accompany the audit report upon submission to the SLGFD.
13. The Auditor shall electronically submit the report of audit to the SLGFD as a text-based PDF file when (or prior to) submitting the invoice for services rendered. The report of audit, as filed with the Secretary of the LGC, becomes a matter of public record for inspection, review and copy in the offices of the SLGFD by any interested parties. **Any subsequent revisions to these reports shall be sent to the Secretary of the LGC along with an Audit report Reissuance form.** These audited financial statements, excluding the Auditors' opinion, may be used in the preparation of official statements for debt offerings, by municipal bond rating services to fulfill secondary market disclosure requirements of the Securities and Exchange Commission and for other lawful purposes of the Governmental Unit without subsequent consent of the Auditor. If the SLGFD determines that corrections need to be made to the Governmental Unit's financial statements, those corrections shall be provided within three days of notification unless another deadline is agreed to by the SLGFD.

If the OSA designates certain programs to be audited as major programs, as discussed in item #2, a turnaround document and a representation letter addressed to the OSA shall be submitted to the SLGFD.

The SLGFD's process for submitting contracts, audit reports and invoices is subject to change. Auditors shall use the submission process in effect at the time of submission. The most current instructions will be found on our website: <https://www.nctreasurer.com/slgl/Pages/Audit-Forms-and-Resources.aspx>

14. Should circumstances disclosed by the audit call for a more detailed investigation by the Auditor than necessary under ordinary circumstances, the Auditor shall inform the Governing Board in writing of the need for such additional investigation and the additional compensation required therefore. Upon approval by the Secretary of the LGC, this contract may be varied or changed to include the increased time, compensation, or both as may be agreed upon by the Governing Board and the Auditor.
15. If an approved contract needs to be amended for any reason, the change shall be made in writing, on the Amended LGC-205 contract form and pre-audited if the change includes a change in audit fee. This amended contract shall be completed in full, including a written explanation of the change, signed and dated by all original parties to the contract. It shall then be submitted through the audit contract portal to the Secretary of the LGC for approval. The portal address to upload the amended contract is <https://nctreasurerslgfd.leapfile.net>. No change to the audit contract shall be effective unless approved by the Secretary of the LGC, the Governing Board, and the Auditor.

16. A copy of the engagement letter, issued by the Auditor and signed by both the Auditor and the Governmental Unit shall be attached to the contract, and by reference here becomes part of the contract. In case of conflict between the terms of the engagement letter and the terms of this contract, the terms of this contract shall take precedence. Engagement letter terms that conflict with the contract are deemed to be void unless the conflicting terms of this contract are specifically deleted in Item #23 of this contract. Engagement letters containing indemnification clauses shall not be accepted by the SLGFD.
17. Special provisions should be limited. Please list any special provisions in an attachment.
18. A separate contract should not be made for each division to be audited or report to be submitted. If a DPCU is subject to the audit requirements detailed in the Local Government Budget and Fiscal Control Act and a separate audit report is issued, a separate audit contract is required. If a separate report is not to be issued and the DPCU is included in the primary government audit, the DPCU shall be named along with the parent government on this audit contract. DPCU Board approval date, signatures from the DPCU Board chairman and finance officer also shall be included on this contract.
19. The contract shall be executed, pre-audited, physically signed by all parties including Governmental Unit and the Auditor and then submitted in PDF format to the Secretary of the LGC. The current portal address to upload the contractual documents is <https://nctreasurerslgfd.leapfile.net>. Electronic signatures are not accepted at this time. Included with this contract are instructions to submit contracts and invoices for approval as of November 2017. These instructions are subject to change. Please check the NC Treasurer's web site at <https://www.nctreasurer.com/slg/Pages/Audit-Forms-and-Resources.aspx> for the most recent instructions.
20. The contract is not valid until it is approved by the Secretary of the LGC. The staff of the LGC shall notify the Governmental Unit and Auditor of contract approval by email. **The audit should not be started before the contract is approved.**
21. There are no other agreements between the parties hereto and no other agreements relative hereto that shall be enforceable unless entered into in accordance with the procedure set out herein and approved by the Secretary of the LGC.
22. **E-Verify.** Auditor **shall comply** with the requirements of NCGS Chapter 64 Article 2. Further, if Auditor utilizes any subcontractor(s), Auditor **shall require** such subcontractor(s) to comply with the requirements of NCGS Chapter 64, Article 2.
