STAFF BRIEFING

**18-4678 INTERLOCAL AGREEMENT WITH TOWN OF PINEVILLE FOR EXTRA TERRITORIAL
JURISDICTION (ETJ) LAW ENFORCEMENT SERVICES**

MAY 1, 2018

Assistant County Manager/Chief of Staff Derrick Ramos addressed the proposed interlocal agreement with the Town of Pineville for ETJ Law Enforcement Services. It was noted the Town of Pineville recently notified the County that it may change its mind and ask the Charlotte-Mecklenburg police to continue to provide service in the Town's ETJ area, rather than the Pineville police doing it. It was noted, however, that the proposed agreement before the Board was one that had been developed between the Town of Pineville and County staffs.

The Town of Pineville will consider the matter on May 8, 2018 or sometime thereafter.

Assistant County Manager/Chief of Staff Ramos said if necessary, the matter would be brought back to the Board, because it would require an amendment to the agreement with the City of Charlotte.

Motion was made by Commissioner James, seconded by Commissioner Fuller and unanimously carried with Commissioners Clarke, Cotham, Dunlap, Fuller, James, Puckett, Ridenhour, and

Scarborough voting yes, to adopt a Resolution Approving A Law Enforcement Services Interlocal Agreement Between Mecklenburg County And The Town of Pineville for Law Enforcement Services in the extra territorial jurisdiction areas of the Town.

Note: As part of creating the six (6) proposed new law enforcement service districts, the current county-wide law enforcement district has to be abolished effective the end of the current fiscal year, June 30, 2018. The Board is required to hold a public hearing before adopting a resolution abolishing the current county-wide district.

18-4673 HEALTH DEPARTMENT GOVERNANCE AND OVERSIGHT (COMMISSIONER PUCKETT)

Commissioner Jim Puckett addressed governance and oversight of the Health Department. He noted the following:

“In light of the continued calls from the public for reform and better oversight of operations in the Health Department, as well as concerns heard both from and on behalf of employees and clients, I am asking the BOCC to consider a change in governance of the Mecklenburg County Health Department. Our current structure places all responsibility for hiring, management oversight and evaluation of the Director of Health and by extension the Health Department, solely in the hands of the County Manager. The current structure does not require the Manager seek advice from, nor does it provide a process, insuring the Manager be aided by anyone in the medical/healthcare field. With all due respect, county managers (current and past) lack the training and experience within the healthcare field to make properly analytical decisions regarding public health oversight or offer proficient medical/health related diagnostic and methodological suggestions and recommendations.”

Motion was made by Commissioner Puckett, seconded by Commissioner Ridenhour, to direct the Board Chair to appoint an ad hoc committee to investigate options available to change the current method of governance and oversight of the Mecklenburg County Health Department and make recommendations as appropriate to that end.

Public Comments

Minister Corine Mack, President of the Charlotte Chapter of the NAACP, spoke in support of Commissioner Puckett’s request to the Board.

Board Comments

Commissioner Ridenhour said the proposal by Commissioner Puckett was worth exploring, however, he was not interested in setting up another advisory board.

Commissioner Clarke expressed opposition to the proposal. Commissioner Clarke said the County Manager was more than capable of managing the Health Department.

MAY 1, 2018

Commissioner Ridenhour left the dais and was away until noted in the minutes.

Commissioner Puckett addressed why he brought the proposal forward.

Commissioner Fuller said things at the Health Department had not been “smooth sailing” for the past year and acknowledged that the department was going through a period of transition.

Commissioner Fuller said he was not opposed to what was being proposed, but he was not supportive of setting up a separate board of health. Commissioner Fuller said the Board was responsible for determining whether the right structure was in place for managing the Health department.

Commissioner Ridenhour returned to the dais.

Commissioner Cotham spoke in support of the proposal.

Commissioner James asked County Manager Diorio to comment on what was being proposed.

County Manager Diorio said she was not opposed to an ad hoc committee being formed. She said ultimately it was the Board’s decision.

Commissioner James said the focus of the committee should not be about disgruntled employees, but rather, governance of the Health department.

Commissioner James, chair of the Board’s Audit Review Committee, said the Audit Review Committee would continue to meet and discuss Health department issues as done in the past.

Commissioner James said he was not opposed to considering privatization of the Health department.

Commissioner Puckett said the ad hoc committee would be comprised of four (4) members.

Commissioner Dunlap expressed his support of the proposal. Commissioner Dunlap said he was comfortable with the Board remaining as the Board of Health and with the County Manager managing the Health department.

Commissioner Dunlap commented on the difficulty the Health department had had for several years with changing the cultural of the organization. He said consultants that were brought in said it would take a few years for the cultural to change.

MAY 1, 2018

Commissioner Dunlap said any model adopted should not prohibit the County Manager from supervising employees of the Health department.

Commissioner Clarke said the proposal would complicate the efforts of the County Manager and the Director of the Health department to make changes at the Health department.

Commissioner Fuller said he would be opposed to privatization of the Health Department.

Chair Scarborough spoke in opposition to the proposal. Chair Scarborough said the County Manager was responsible for handling human resource matters.

The vote was then taken on the motion as noted below.

Motion was made by Commissioner Puckett, seconded by Commissioner Ridenhour and carried 6-2 with Commissioners Cotham, Dunlap, Fuller, James, Puckett, and Ridenhour voting yes and Commissioners Clarke and Scarborough voting no, to direct the Board Chair to appoint an ad hoc committee to investigate options available to change the current method of governance and oversight of the Mecklenburg County Health Department and make recommendations as appropriate to that end.

/s/ Janice S. Paige

Clerk to the Board of Commissioners of Mecklenburg County,
North Carolina

Note: AHF-Timber Ridge, LLC is using the Wisconsin Public Finance Authority as the issuer of the Bonds because of a desire to have a 30 year maturity on the debt; the North Carolina Capital Facilities Finance Agency, which would be the North Carolina issuer, has a policy which prohibits a bond maturity greater than 20 years. Additionally, the acquisition of the Project is a part of a larger transaction which involves the acquisition of multiple affordable housing facilities in multiple states. The Public Finance Authority, because it is a national issuer, allows Atlantic Housing Foundation to complete the multistate acquisition in one consolidated transaction. In order to comply with federal tax law, and the code and Public Finance Authority's statutory requirements, the Borrower has requested that the Mecklenburg County Board of

Commissioners hold a public hearing and approve the Resolution. This approval will not make the County responsible in any way for the Bonds or the Project financed with bond proceeds. Hosting the public hearing and approving the issuance of the Bonds are merely ministerial acts that will enable the Borrower to comply with federal tax law requirements in order that interest on the Bonds be exempt from federal income tax. Representatives of the Borrower are planning to attend the hearing to answer any questions any Board members might have about the bonds or the project.

**18-4652 PUBLIC HEARING ON PROPOSED LAW ENFORCEMENT SERVICE DISTRICT
WITHIN THE EXTRATERRITORIAL JURISDICTION AREA OF THE CITY OF
CHARLOTTE, NC**

MAY 1, 2018

Motion was made by Commissioner Puckett, seconded by Commissioner Fuller and unanimously carried with Commissioners Clarke, Cotham, Dunlap, Fuller, James, Puckett, Ridenhour, and Scarborough voting yes, to:

1. Acknowledge receipt of certification that the notice of public hearing was mailed by first class mail to the owners, as shown by the county tax records as of January 1, 2017, of all property located within the proposed Law Enforcement Service District (LESD); and
2. Open the public hearing to receive comments on the proposed LESD Within The Extraterritorial Jurisdiction Area of the City of Charlotte, NC.

Note: In 1996 the Board of Commissioners created a single law enforcement service district for the entire unincorporated area of the County to allow levy of a law enforcement service district tax just in that area to be used to pay the City of Charlotte for providing law enforcement services to the area pursuant to a contract between the County and the City (the 1993 "Agreement Between the City of Charlotte and Mecklenburg County for the Consolidation of the Charlotte and Mecklenburg County Police Departments" ("Original Agreement"). On April 18, 2017, the Board of County Commissioners terminated the agreement effective June 30, 2018. On February 20, 2018, the Board adopted a resolution authorizing the County Manager to start the process for creating six (6) law enforcement service districts, to become effective July 1, 2018. The separate Interlocal Agreement with the City of Charlotte allows the City to provide law enforcement services to the ETJ areas of the City, Davidson, and Mint Hill, and within that portion of the ETJ of the Town of Huntersville that contains the McGuire Nuclear Plant. Conducting a public hearing on the proposed LESD is a part of the statutory requirement for establishing a LESD.

No one appeared to speak.

Motion was made by Commissioner Puckett, seconded by Commissioner Fuller and unanimously carried with Commissioners Clarke, Cotham, Dunlap, Fuller, James, Puckett, Ridenhour, and Scarborough voting yes, to close the public hearing on proposed LESD Within The Extraterritorial Jurisdiction Area of the City of Charlotte, NC and adopt resolution, titled "Mecklenburg County Board of Commissioners Resolution Creating the City of Charlotte Law Enforcement Service District."

MECKLENBURG COUNTY BOARD OF COMMISSIONERS RESOLUTION CREATING THE CITY OF CHARLOTTE LAW ENFORCEMENT SERVICE DISTRICT

WHEREAS, in 1996 the Board of Commissioners created a single law enforcement service district for the entire unincorporated area of the County to allow the levy of a law enforcement service district tax just in that area

MAY 1, 2018

to be used to pay the City of Charlotte for providing law enforcement services to the area pursuant to a contract between the County and the City (the 1993 “Agreement Between the City of Charlotte and Mecklenburg County for the Consolidation of the Charlotte and Mecklenburg County Police Departments” (“Original Agreement”); and

WHEREAS, effective July 1, 1996 the County and the City entered into an “Agreement for the Continued Consolidation of the Charlotte and Mecklenburg County Police Departments” (“Current Agreement”) which Agreement was terminated by the Board of County Commissioners effective June 30, 2018; and

WHEREAS, the County Manager has negotiated and the Board of County Commissioners has approved the interlocal agreement with the City entitled “2018 Agreement Between the City of Charlotte and Mecklenburg County for the Continued Consolidation of the Charlotte Mecklenburg Police Department” to be effective July 1, 2018, for the City to provide law enforcement services within the ETJ areas of the City, Davidson, Mint Hill, and within that portion of the ETJ of the Town of Huntersville that contains the McGuire Nuclear Plant; and

WHEREAS, since the costs for providing law enforcement services under each such agreement may result in different law enforcement service district tax rates being charged in different ETJ areas over time, the County Manager has recommended the creation of separate law enforcement service districts for each of the six (6) ETJ areas so as to provide the necessary flexibility for the Board of County Commissioners to set different rates in each area; and

WHEREAS, in accordance with the statutory requirements outlined in G.S. 153A-302, the Board of County Commissioners has found that all the following apply:

(1) There is a demonstrable need for providing in the district one or more of the services listed in G.S. 153A-301.

WHEREAS, The 1996 Agreement that provided for law enforcement services by the Charlotte-Mecklenburg Police Department (“CMPD”) in the Extra-Territorial Jurisdictions (“ETJ”) of municipalities in Mecklenburg County was terminated by the County, effective June 30, 2018; and,

WHEREAS, During all years of that Agreement, there have been multiple calls for law enforcement services from residents and others in this district as shown by the chart under subsection (4); and,

WHEREAS, for the foreseeable future, the ETJs will continue to have residents in need of law enforcement services as calls for service will certainly continue to be made; and,

WHEREAS, new Law Enforcement Service Districts (LESsDs), including one for this district, are being created to provide for continuity of law enforcement services; and,

(2) It is impossible or impracticable to provide these services on a county-wide basis.

WHEREAS, there is no near-term practical ability for Mecklenburg County to provide law enforcement services on a county-wide basis as the County terminated the 1996 Agreement that provided for law enforcement services by the CMPD in the ETJ of municipalities effective June 30, 2018; and,

WHEREAS, the new LESsDs, including the one for this district, will provide funding to local municipalities to support Interlocal Agreements with Mecklenburg County which authorize the municipal police forces to provide law enforcement services for all ETJ residents; and,

(3) It is economically feasible to provide the proposed services in the district without unreasonable or burdensome annual tax levies.

MAY 1, 2018

WHEREAS, at present, Mecklenburg County levies a law enforcement service district rate of \$0.2146, per one hundred dollars valuation, in the entire unincorporated area of the County to fund law enforcement services; and,

WHEREAS, new, five-year Interlocal Agreements (starting July 1, 2018) have been negotiated to provide law enforcement services to the unincorporated areas of the County, including for this district; and,

WHEREAS, in each Interlocal Agreement, including the Interlocal Agreement which would provide law enforcement services for this district, the cost for law enforcement services is not anticipated to exceed revenues generated from an assumed \$0.2146 tax rate or an equivalent revenue neutral tax rate; and,

(4) There is a demonstrable demand for the proposed services by persons residing in the district.

WHEREAS, the Board of County Commissioners and the Charlotte City Council have approved an interlocal agreement between the City of Charlotte and the County for the CMPD to provide law enforcement services within the ETJ areas of the City, Davidson, Mint Hill, and within that certain portion of the ETJ of the Town of Huntersville that includes the McGuire Nuclear Plant; and,

WHEREAS, according to information provided by the Charlotte-Mecklenburg Police Department in June 2017, there has been a demonstrated demand as well as need for law enforcement services in the ETJs for Charlotte, Cornelius, Davidson, Huntersville, Mint Hill, and Pineville. Need for policing services has been demonstrated in the data provided by the Charlotte Mecklenburg Police Department, through the total number of calls for service the CMPD Police Department responded to in each ETJ; and,

WHEREAS, the CMPD also reported their average response times to emergency, urgent, immediate, and routine calls to the ETJs for Charlotte, Cornelius, Davidson, Huntersville, Mint Hill, and Pineville. Creating new LEDDs will allow for law enforcement services to be provided by town police departments in the ETJs of Cornelius, Pineville,

and Huntersville – which the Towns anticipate may result in decreased response times. The CMPD will continue to cover services in the ETJs of Charlotte, Mint Hill and Davidson, and a portion of the ETJ of Huntersville where the Duke Energy McGuire Plant is located; and,

1. Acknowledge receipt of certification that the notice of public hearing was mailed by first class mail to the owners, as shown by the county tax records as of January 1, 2017, of all property located within the proposed Law Enforcement Service District (LESD); and
2. Open the public hearing to receive comments on the proposed LESD Within The Extraterritorial Jurisdiction Area of the Town of Cornelius.

Note: In 1996 the Board of Commissioners created a single law enforcement service district for the entire unincorporated area of the County to allow levy of a law enforcement service district tax just in that area to be used to pay the City of Charlotte for providing law enforcement services to the area pursuant to a contract between the County and the City (the 1993 "Agreement Between the City of Charlotte and Mecklenburg County for the Consolidation of the Charlotte and Mecklenburg County Police Departments" ("Original Agreement)). On April 18, 2017, the Board of County Commissioners terminated the agreement effective June 30, 2018. On February 20, 2018, the Board adopted a resolution authorizing the County Manager to start the process for creating six (6) law enforcement service districts, to become effective July 1, 2018. The separate Interlocal Agreement with the Town of Cornelius allows the Town to provide law enforcement services within the ETJ area of the Town, including Lake Norman waters and shoreline. Conducting a public hearing on the proposed LESD is a part of the statutory requirement for establishing a LESD.

No one appeared to speak.

Motion was made by Commissioner Puckett, seconded by Commissioner Fuller and unanimously carried with Commissioners Clarke, Cotham, Dunlap, Fuller, James, Puckett, Ridenhour, and Scarborough voting yes, to close the public hearing on proposed LESD Within The Extraterritorial Jurisdiction Area of the Town of Cornelius and adopt resolution, titled "Mecklenburg County Board of Commissioners Resolution Creating the Town of Cornelius Law Enforcement Service District."

MECKLENBURG COUNTY BOARD OF COMMISSIONERS RESOLUTION CREATING THE TOWN OF CORNELIUS LAW ENFORCEMENT SERVICE DISTRICT

WHEREAS, in 1996 the Board of Commissioners created a single law enforcement service district for the entire unincorporated area of the County to allow the levy of a law enforcement service district tax just in that area to be used to pay the City of Charlotte for providing law enforcement services to the area pursuant to a contract

between the County and the City (the 1993 “Agreement Between the City of Charlotte and Mecklenburg County for the Consolidation of the Charlotte and Mecklenburg County Police Departments” (“Original Agreement”); and

WHEREAS, effective July 1, 1996 the County and the City entered into an “Agreement for the Continued Consolidation of the Charlotte and Mecklenburg County Police Departments” (“Current Agreement”) which Agreement was terminated by the Board of County Commissioners effective June 30, 2018; and

WHEREAS, the County Manager has negotiated and the Board of County Commissioners has approved the interlocal agreement with the Town entitled “Law Enforcement Services Interlocal Agreement Between Mecklenburg County and the Town of Cornelius” to be effective July 1, 2018, for the Town to provide law enforcement services within the ETJ area of the Town, including Lake Norman waters and shoreline, as defined in the interlocal agreement; and

WHEREAS, since the costs for providing law enforcement services under each such agreement may result in different law enforcement service district tax rates being charged in different ETJ areas over time, the County Manager has recommended the creation of separate law enforcement service districts for each of the six (6) ETJ areas so as to provide the necessary flexibility for the Board of County Commissioners to set different rates in each area; and

WHEREAS, in accordance with the statutory requirements outlined in G.S. 153A-302, the Board of County Commissioners has found that all the following apply:

(1) There is a demonstrable need for providing in the district one or more of the services listed in G.S. 153A-301.

WHEREAS, The 1996 Agreement that provided for law enforcement services by the Charlotte-Mecklenburg Police Department (“CMPD”) in the Extra-Territorial Jurisdictions (“ETJ”) of municipalities in Mecklenburg County was terminated by the County, effective June 30, 2018; and,

WHEREAS, During all years of that Agreement, there have been multiple calls for law enforcement services from residents and others in this district as shown by the chart under subsection (4); and,

WHEREAS, for the foreseeable future, the ETJs will continue to have residents in need of law enforcement services as calls for service will certainly continue to be made; and,

WHEREAS, new Law Enforcement Service Districts (LESsDs), including one for this district, are being created to provide for continuity of law enforcement services; and,

(2) It is impossible or impracticable to provide these services on a county-wide basis.

WHEREAS, there is no near-term practical ability for Mecklenburg County to provide law enforcement services on a county-wide basis as the County terminated the 1996 Agreement that provided for law enforcement services by the CMPD in the ETJ of municipalities effective June 30, 2018; and,

WHEREAS, the new LESsDs, including the one for this district, will provide funding to local municipalities to support Interlocal Agreements with Mecklenburg County which authorize the municipal police forces to provide law enforcement services for all ETJ residents; and,

MAY 1, 2018

(3) It is economically feasible to provide the proposed services in the district without unreasonable or burdensome annual tax levies.

WHEREAS, at present, Mecklenburg County levies a law enforcement service district rate of \$0.2146, per one hundred dollars valuation, in the entire unincorporated area of the County to fund law enforcement services; and,

WHEREAS, new, five-year Interlocal Agreements (starting July 1, 2018) have been negotiated to provide law enforcement services to the unincorporated areas of the County, including for this district; and,

WHEREAS, in each Interlocal Agreement, including the Interlocal Agreement which would provide law enforcement services for this district, the cost for law enforcement services is not anticipated to exceed revenues generated from an assumed \$0.2146 tax rate or an equivalent revenue neutral tax rate; and,

(4) There is a demonstrable demand for the proposed services by persons residing in the district.

WHEREAS, the Board of County Commissioners and the Cornelius Board of Commissioners have approved an interlocal agreement between the Town of Cornelius and the County for the Cornelius Police Department to provide law enforcement services within the ETJ area of the Town, including Lake Norman waters and shoreline; and,

WHEREAS, according to information provided by the Charlotte-Mecklenburg Police Department in June 2017, there has been a demonstrated demand as well as need for law enforcement services in the ETJs for Charlotte, Cornelius, Davidson, Huntersville, Mint Hill, and Pineville. Need for policing services has been demonstrated in the data provided by the Charlotte Mecklenburg Police Department, through the total number of calls for service the CMPD Police Department responded to in each ETJ; and,

Motion was made by Commissioner Puckett, seconded by Commissioner James and unanimously carried with Commissioners Clarke, Cotham, Dunlap, Fuller, James, Puckett, Ridenhour, and Scarborough voting yes, to:

1. Acknowledge receipt of certification that the notice of public hearing was mailed by first class mail to the owners, as shown by the county tax records as of January 1, 2017, of all property located within the proposed Law Enforcement Service District (LESD); and
2. Open the public hearing to receive comments on the proposed LESD Within The Extraterritorial Jurisdiction Area of the Town of Mint Hill.

Note: In 1996 the Board of Commissioners created a single law enforcement service district for the entire unincorporated area of the County to allow levy of a law enforcement service district tax just in that area to be used to pay the City of Charlotte for providing law enforcement services to the area pursuant to a contract between the County and the City (the 1993 "Agreement Between the City of Charlotte and Mecklenburg County for the Consolidation of the Charlotte and Mecklenburg County Police Departments" ("Original Agreement"). On April 18, 2017, the Board of County Commissioners terminated the agreement effective June 30, 2018. On February 20, 2018, the Board adopted a resolution authorizing the County Manager to start the process for creating six (6) law enforcement service districts, to become effective July 1, 2018. The separate Interlocal Agreement with the City of Charlotte allows the City of Charlotte (CMPD) to provide law enforcement services within the ETJ areas of the City, Davidson, and Mint Hill, and within that portion of the ETJ of the Town of Huntersville that contains the McGuire Nuclear Plant. Conducting a public hearing on the proposed LESD is a part of the statutory requirement for establishing a LESD.

The Extraterritorial Jurisdiction Area of the Town of Mint Hill and adopt resolution, titled "Mecklenburg County Board of Commissioners Resolution Creating the Town of Mint Hill Law Enforcement Service District"

MECKLENBURG COUNTY BOARD OF COMMISSIONERS RESOLUTION CREATING THE TOWN OF MINT HILL LAW ENFORCEMENT SERVICE DISTRICT

WHEREAS, in 1996 the Board of Commissioners created a single law enforcement service district for the entire unincorporated area of the County to allow the levy of a law enforcement service district tax just in that area to be used to pay the City of Charlotte for providing law enforcement services to the area pursuant to a contract between the County and the City (the 1993 "Agreement Between the City of Charlotte and Mecklenburg County for the Consolidation of the Charlotte and Mecklenburg County Police Departments" ("Original Agreement"); and

WHEREAS, effective July 1, 1996 the County and the City entered into an "Agreement for the Continued Consolidation of the Charlotte and Mecklenburg County Police Departments" ("Current Agreement") which Agreement was terminated by the Board of County Commissioners effective June 30, 2018; and

WHEREAS, the County Manager has negotiated and the Board of County Commissioners has approved the interlocal agreement with the City entitled "2018 Agreement Between the City of Charlotte and Mecklenburg County for the Continued Consolidation of the Charlotte Mecklenburg Police Department" to be effective July 1, 2018, for the City to provide law enforcement services within the ETJ areas of the City, Davidson, Mint Hill, and within that portion of the ETJ of the Town of Huntersville that contains the McGuire Nuclear Plant; and

WHEREAS, since the costs for providing law enforcement services under each such agreement may result in different law enforcement service district tax rates being charged in different ETJ areas over time, the County Manager has recommended the creation of separate law enforcement service districts for each of the six (6) ETJ areas so as to provide the necessary flexibility for the Board of County Commissioners to set different rates in each area; and

WHEREAS, in accordance with the statutory requirements outlined in G.S. 153A-302, the Board of County Commissioners has found that all the following apply:

(1) There is a demonstrable need for providing in the district one or more of the services listed in G.S. 153A-301.

WHEREAS, The 1996 Agreement that provided for law enforcement services by the Charlotte-Mecklenburg Police Department ("CMPD") in the Extra-Territorial Jurisdictions ("ETJ") of municipalities in Mecklenburg County was terminated by the County, effective June 30, 2018; and,

WHEREAS, During all years of that Agreement, there have been multiple calls for law enforcement services from residents and others in this district as shown by the chart under subsection (4); and,

WHEREAS, for the foreseeable future, the ETJs will continue to have residents in need of law enforcement services as calls for service will certainly continue to be made; and,

WHEREAS, new Law Enforcement Service Districts (LESsDs), including one for this district, are being created to provide for continuity of law enforcement services; and,

(2) It is impossible or impracticable to provide these services on a county-wide basis.

MAY 1, 2018

WHEREAS, there is no near-term practical ability for Mecklenburg County to provide law enforcement services on a county-wide basis as the County terminated the 1996 Agreement that provided for law enforcement services by the CMPD in the ETJ of municipalities effective June 30, 2018; and,

WHEREAS, the new LESDs, including the one for this district, will provide funding to local municipalities to support Interlocal Agreements with Mecklenburg County which authorize the municipal police forces to provide law enforcement services for all ETJ residents; and,

(3) It is economically feasible to provide the proposed services in the district without unreasonable or burdensome annual tax levies.

WHEREAS, at present, Mecklenburg County levies a law enforcement service district rate of \$0.2146, per one hundred dollars valuation, in the entire unincorporated area of the County to fund law enforcement services; and,

WHEREAS, new, five-year Interlocal Agreements (starting July 1, 2018) have been negotiated to provide law enforcement services to the unincorporated areas of the County, including for this district; and,

WHEREAS, in each Interlocal Agreement, including the Interlocal Agreement which would provide law enforcement services for this district, the cost for law enforcement services is not anticipated to exceed revenues generated from an assumed \$0.2146 tax rate or an equivalent revenue neutral tax rate; and,

(4) There is a demonstrable demand for the proposed services by persons residing in the district.

WHEREAS, the Board of County Commissioners and the Charlotte City Council have approved an interlocal agreement between the City of Charlotte and the County for the CMPD to provide law enforcement services within the ETJ areas of the City, Davidson, Mint Hill, and within that certain portion of the ETJ of the Town of Huntersville that includes the McGuire Nuclear Plant; and,

WHEREAS, according to information provided by the Charlotte-Mecklenburg Police Department in June 2017, there has been a demonstrated demand as well as need for law enforcement services in the ETJs for Charlotte, Cornelius, Davidson, Huntersville, Mint Hill, and Pineville. Need for policing services has been demonstrated in the data provided by the Charlotte Mecklenburg Police Department, through the total number of calls for service the CMPD Police Department responded to in each ETJ; and,

WHEREAS, the CMPD also reported their average response times to emergency, urgent, immediate, and routine calls to the ETJs for Charlotte, Cornelius, Davidson, Huntersville, Mint Hill, and Pineville. Creating new LESDs will allow for law enforcement services to be provided by town police departments in the ETJs of Cornelius, Pineville, and Huntersville – which the Towns anticipate may result in decreased response times. The CMPD will continue to cover services in the ETJs of Charlotte, Mint Hill and Davidson, and a portion of the ETJ of Huntersville where the Duke Energy McGuire Plant is located.

Motion was made by Commissioner Puckett, seconded by Commissioner James and unanimously carried with Commissioners Clarke, Cotham, Dunlap, Fuller, James, Puckett, Ridenhour, and Scarborough voting yes, to:

1. Acknowledge receipt of certification that the notice of public hearing was mailed by first class mail to the owners, as shown by the county tax records as of January 1, 2017, of all property located within the proposed Law Enforcement Service District (LESD); and
2. Open the public hearing to receive comments on the proposed LESD Within The Extraterritorial Jurisdiction Area of the Town of Pineville.

Conducting a public hearing on the proposed LESD is a part of the statutory requirement for establishing a LESD.

No one appeared to speak.

Commissioner Dunlap asked about the Town of Pineville's recent concern.

MAY 1, 2018

Assistant County Manager/Chief of Staff Ramos said the Town of Pineville recently notified the County that it may change its mind and ask the Charlotte-Mecklenburg police to continue to provide service in the Town's ETJ area, rather than the Pineville police doing it. It was noted, however, that the proposed agreement presented and approved earlier by the Board was one that had been developed between the Town of Pineville and County staffs.

Staff was informed that the Town of Pineville would consider the matter on May 8, 2018 or sometime thereafter.

Assistant County Manager/Chief of Staff Ramos said if necessary, the matter would be brought back to the Board, because it would require an amendment to the agreement with the City of Charlotte.

Motion was made by Commissioner Puckett, seconded by Commissioner James and unanimously carried with Commissioners Clarke, Cotham, Dunlap, Fuller, James, Puckett, Ridenhour, and Scarborough voting yes, to close the public hearing on proposed LESD Within The Extraterritorial Jurisdiction Area of the Town of Pineville and adopt resolution, titled
