RE: Fire Tax Distribution for FY 2019

Dear Maia,

Thank you for reaching out regarding the proposed ETJ fire services contract between the Town of Huntersville and Mecklenburg County for the fiscal year ending June 30, 2019. We appreciate the opportunity to serve the ETJ citizens with fire and EMS services.

Because of the enhanced level of service to citizens associated with the opening of Fire Station #4 on McIlwaine Road, we are requesting an increase of support from the FY 2018 level of \$697,590 to \$802,511. The increased cost is directly attributable to the opening of the fourth station, the grand opening of which occurred on May 12, 2018. The entire increase of \$104,921 is commensurate with the full year operating costs of that station.

Please let me know if you have additional concerns or would like to discuss this further.

Sincerely,
