The Honorable Ella B. Scarborough
Chair
Board of County Commissioners
60 East 4th Street
Charlotte, NC 28202

Dear Chair Scarborough,

It is my understanding that the Mecklenburg Board of County Commissioners appoints board members to the Mecklenburg EMS Agency's Board of Commissioners.

Tom Zweng, MD, Novant Health, has served forth fully and effectively as a Novant Health representative on the MEDIC Board for several years. He is no longer with our organization and therefore we must find an alternate replacement for his Board position.

In this regard, Novant Health submits the following name for consideration for appointment as member of the Agency's Board, by the Mecklenburg Board of County Commissioners.

New Appointment:

- Sid Fletcher, MD – Senior Vice President Medical Affairs

Please contact me if there is any further required information or action needed.

Sincerely,

A handwritten signature in black ink that reads 'Amy Vance'.
