Included in these events are the prestigious Wendy's Invitational which will be held in the park for the 40th time this year as well as the Footlocker South Regional. These two races alone bring over 10,000 people into the park annually. Beyond those two races, the McAlipne Park Cross Country Course host numerous school invitational events as well as conference and regional championships each year. The course has also played host to state championships for all four NCHSAA classes as well as having attracted national collegiate and AAU championships, beyond the daily use that the community has enjoyed since the creation of the course in the 1970's.
