Mecklenburg County Commissioners
Charlotte, NC

Dear Commissioners,

My request is for your help in opening
Housing Academy Bldg #1 in Charlotte, NC
The housing academy will be located in a vacant school
Or vacant nursing home.

The housing academy is to be in every city
That has an NBA or NFL team(that's the goal)
At this time I have began to collect pictures of NBA
And NFL Players from North and South Carolina
These pictures will hang on the wall of the lobby and
Hallways in all Housing Academy Bldg.

At this time I am interested in a school
that will have lots of rooms and offer a larger amount
of help in our city to people who can and do pay
\$300-\$400 and \$500 per month

This is a place where people can live until
more housing is available.

Who will qualify? People who have medicade-medicare
EBT card-ID-empty nesters- People who do not have a lot
Of money

No smoking and no alcohol-beer in bldgs.-(in assigned
Areas only-smoking-)----Must sign Rules----

Very Truly, Yours
