- **If you selected Other, please explain:** Posted on an Atrium Health employee group
- **Business and civic experience:** I currently work for Atrium Health as a Senior Program Associate within their Behavioral Health department. I support senior leadership through extensive program evaluation and monitoring, employee engagement efforts and various special projects. Previously, I worked for a public health department in Cabarrus County. I worked on two large grant projects, one focusing specifically on youth violence prevention (I served as the Program Manager and oversaw trauma-informed efforts within the schools and community groups) and diabetes prevention (I worked as a lifestyle change coach and managed the budget and evaluation components). My most recent role with them was as the Program Manager for the community dental program, which served primarily low-income families to ensure high quality care and improved access to health services. Previous internships and volunteer roles focused on interpersonal and sexual violence prevention, improving school health and overall program design, implementation and evaluation.
- **Areas of expertise and interests/skills:** I am extremely organized, detail-oriented and committed to completing whatever task is at hand to the best of my ability. I have had the honor of working with communities of various backgrounds, including race, ethnicity, socioeconomic status, religious and legal status. I've worked extensively in building and sustaining community collaborations with a constant focus on improving community

health and wellbeing (physical, social and emotional).

Personal interests include cooking, exercising, traveling, reading and spending time with my husband and our animals. We recently bought a home in Charlotte, after renting for several years, and I am hoping to become more involved with the city I love and plan to call home for years to come.
