## Activity Growth

ONE Access is a collaboration between Charlotte-Mecklenburg Library and Charlotte-Mecklenburg Schools that allows CMS students and staff to use their school ID number to access and check out Library resources.

LIBRARY

### What can students borrow?

ONE Access allows students to borrow e-resources and access Library databases just like any other Library card. Students can also borrow up to 10 print or audio books (no DVDs or music CDs). There are no overdue fines for ONE Access accounts, but users are responsible for fees on lost or damaged books.

### What about CMS teachers and staff?

ONE Access allows teachers and staff to borrow e-resources and access Library databases. Teachers are also eligible for a free Teacher Loan Card, which allows teachers to borrow up to 30 items for 6 weeks for classroom use.

This effort is part of an ongoing commitment by both organizations to benefit the community by increasing literacy and educational success.
