BACKGROUND/JUSTIFICATION:

The developer, DHG RP LLC, of the Huntley Glen subdivision in the Town of Pineville proposes donation of property and easements along Little Sugar Creek for the greenway and stream enhancement project as required, per his rezoning with the Town. Acceptance of these parcels will allow the County to build its project which is currently funded and planned for construction in 2020. The stream enhancement project will take place on the bulk of the property. As currently designed, an access trail will connect the main trail to the Huntley Glen neighborhood. Acquisition of property interests for greenway purposes is supported by the County's adopted *Park and Recreation Master Plan*.
