**Title**

**Public Hearing - Surface Water Pollution Control Ordinance Revision**

**Action**

**ACTION:**

**A) Open public hearing to receive comments on revisions to the Mecklenburg County Surface Water Pollution Control Ordinance**

**B) Close public hearing and adopt revisions to the Mecklenburg County Surface Water Pollution Control Ordinance**

**Staff Contact:** Rusty Rozzelle, LUESA - Storm Water Services

**Presentation:** No

**BACKGROUND/JUSTIFICATION:**

Mecklenburg County Storm Water Services recommends adoption of revisions to the Mecklenburg County Surface Water Pollution Control Ordinance. This ordinance prohibits discharges of pollution to the storm drain system and surface waters of Mecklenburg County. The ordinance was originally adopted on May 5, 2004. The proposed revisions will improve the effectiveness and efficiency of the ordinance at protecting Mecklenburg County's surface water resources. The revisions have been provided to the County Attorney. On February 20, 2020, the revisions received support from the Charlotte-Mecklenburg Storm Water Advisory Committee. Revisions were also presented to the Environmental Stewardship Committee on March 10, 2020.
