Staff Contact: Raynard Washington, PhD, MPH, Health Director

Presentation: No

BACKGROUND/JUSTIFICATION:

Public Health is applying for The Community Level Innovations for Improving Health Outcomes grant. This grant opportunity seeks to increase the use of preventative health services, improve health outcomes as measured by progress toward Healthy People 2030, and reduce health disparities. Public Health proposes to engage two community health workers, a supervisor, and a data analyst at the Ella B. Scarborough CRC to improve healthcare access and health outcomes.
