BACKGROUND/JUSTIFICATION:

Tax Parcel 167-172-03 (± 0.472 acres) is located in southwest Charlotte near West Arrowood Road. Surveys and recorded maps, as well as legal descriptions, of surrounding properties indicate a void in ownership for the subject parcel. A title search did not uncover the owner of record, which is why it is listed in the public records as "Unknown." The property is needed for the future construction of Sugar Creek Greenway, which is not currently funded.

Tax Parcels 193-541-03, 193-541-04 and 193-541-07 (±5.783 acres) are located in southeast Charlotte on Northeast Parkway and owned by THC Florida LP. The properties are needed for the future construction of Irvins Creek Greenway, which is not currently funded.

County staff was made aware of the tax status of all four properties listed above and determined that the tax foreclosure auctions were a good opportunity to acquire the properties for the future projects. On December 5, 2017, the Board authorized staff to bid up to \$6,500 for the Sugar Creek property and \$31,500 for the Irvins Creek properties. All properties were auctioned for back taxes on January 16, 2018. The County submitted a total initial bid of \$5,850 and \$28,000, respectively, which was not upset. The total purchase price of \$5,850 and \$28,000, respectively, will cover back taxes, legal fees and court costs associated with the closing. The Board must vote to approve the final purchase price of \$5,850 for the Sugar Creek property and \$28,000 for the Irvins Creek properties to complete the transactions. The purchase amount will come from the approved Land Account.
