Staff Contact: Amy Johnson, Senior Fiscal Administrator, LUESA

Presentation: No

BACKGROUND/JUSTIFICATION:

Mecklenburg County participates in an assessment program to provide street lighting in order to increase safety in subdivisions. Homeowners in these subdivisions went through a rigorous petition

process that qualified the subdivisions for funding in the form of a loan for the installation and operation of street lights. Homeowners are in turn assessed for these costs until the subdivisions are incorporated into the city limits. The public hearing is required by General Statutes and will allow property owners in these subdivisions to comment on the street lighting assessments for operating costs paid during the fiscal year 2018. After the close of the public hearing, the Board of County Commissioners will be asked to adopt the eight Resolutions authorizing the County Tax Collector's Office to assess the property owners within these subdivisions, the cost of operating the street lighting fixtures in fiscal year 2018.

PROCUREMENT BACKGROUND:

N/A

POLICY IMPACT:

N/A

FISCAL IMPACT:

\$29,329.20 in street lighting assessment revenues, plus interest where applicable, to reimburse the County for street lighting operating costs incurred in FY2018. (July 2017 through June 2018)
