BACKGROUND/JUSTIFICATION:

The Planning Commission received a rezoning petition for a property that is located in the Town of Pineville's sphere of influence, which has not been accepted by Pineville. Therefore, the petition must be heard by the Board of County Commissioners. It's Petition No. 2018-001 (C) by Northwood Ravin Development for a change in zoning for approximately 12 acres located on the west side of Lancaster Highway near the intersection of Lancaster Highway and Southcrest Lane from R-3 (Single Family Residential) to UR-2(CD) (Urban Residential,

Conditional).

The Board held the public hearing on September 18, 2018. The Board deferred making a decision until a recommendation was received from the Planning Commission. The Planning Commission's decision has been received and is noted below. Tammie Keplinger with the City of Charlotte' Planning and Design Development Department will present the recommendation to the Board at the October 16, 2018 meeting.

The Zoning Committee voted 6-0 to recommend Approval of the petition. See attached Recommendation for full details.

Attached also is a follow-up report to questions raised by Commissioner James at the public hearing.
