Title:
Request for Refund of Interest Paid on Property Taxes

Summary

ACTION:

Consider Neill J. Pollock's request for refund of taxes (interest) and instruct the County Attorney to inform the requester of the decision

Staff Contact: Tyrone C. Wade, County Attorney

Presentation: Yes

BACKGROUND/JUSTIFICATION:

NCGS 105-381 provides that a taxpayer may request a release or refund of taxes imposed through a clerical error, or if the tax is an illegal tax, or was levied for an illegal purpose. Requests for refunds of less than \$100 may be delegated by the Board to the County Finance Officer, Manager, or Attorney. This matter is before you because the request for refund exceeds \$100.

This refund has not been placed on the normal consent agenda with other refunds as this is a refund request that we do not believe should be granted for reasons described in the attachment titled: Office of the Tax Collector Recommendation-Neill J Pollack Refund Request.
