BACKGROUND/JUSTIFICATION:

Capital Reserve accounts were established to maintain synthetic turf fields. Harrisburg Park has 2 synthetic turf fields that have reached their useful life of 10 years. The current expense budget has \$472,316 available to assist with the \$1.1 million needed to replace the two fields. The department has identified the additional funding of \$200,000 from operational savings. Harrisburg Park is located at 8045 Harrisburg Road, Harrisburg, NC

PROCUREMENT BACKGROUND:

Park and Recreation staff has contacted County Procurement and will work together on this project to meet all County and State purchasing requirements.
