**Title:**  
**Mecklenburg County Public Health Challenges**

**Summary**

**ACTION:**

Receive a brief presentation from Dr. Plescia, Public Health Director, highlighting Mecklenburg County's five biggest public health challenges

**Staff Contact:** Michael A. Bryant, Management & Budget Director

**Presentation:** Yes

**BACKGROUND/JUSTIFICATION:**

During the March 1, 2016 regular Board meeting, the Public Health Director presented information pertaining to the the five biggest public health challenges/issues currently facing Mecklenburg County and what steps we are and need to be taking to address them. The Board instructed the County Manager to schedule this item for a future public policy workshop meeting to allow for additional dialogue regarding this important matter. Dr. Plescia will present a policy agenda that is pertinent to making progress on the five issues.
