Title:
Budget Amendment-LUESA Auction Revenue

Summary

ACTION:

Recognize, receive and appropriate revenue of \$36,963.55 from the vehicle auction on January 12, 2019

Staff Contact: Amy Johnson, Land Use and Environmental Services Agency

Presentation: No

BACKGROUND/JUSTIFICATION:

County obsolete equipment and rolling stock is periodically sold and the proceeds are distributed to the original sources for additional purchases. Net proceeds of \$36,963.55 were realized from the January 12, 2019 County vehicle auction as belonging to LUESA. The rolling stock for LUESA is funded by fees and regulations require the sales proceeds be used by the department where the fees are generated. This amendment requests funds from the latest auction be returned to LUESA's Code Enforcement division and distributed as demonstrated in the backup documentation included with this board action.

PROCUREMENT BACKGROUND:

N/A

POLICY IMPACT:

N/A

FISCAL IMPACT:

Increase LUESA Code Enforcement funds by \$36,963.55 for FY19 revenue and expense; no impact to county funding
