Presentation: No

BACKGROUND/JUSTIFICATION:

In 2015, the County granted the City of Charlotte easements on Huntingtowne Farms Park for the Lilly Mill Storm Drainage Improvement and Stream Enhancement project. The City's contractor, Blythe Development Company, has approached the County to request access across the parking lot at the end of Ramblewood Lane. This access will provide the contractor with a more direct way to reach the construction areas. The contractor would need the temporary access easement for four (4) months. As compensation for the temporary access easement, developer is paying the County \$15,852.15, which will be used towards repaving of the parking lot.
