**Title:**  
**County Assistance to Lake Arbor Residents**

**Summary**

**ACTION:**

**Receive an update on the County's role in assisting Lake Arbor residents**

**Staff Contact:** Stacy Lowry, Director, Community Support Services

**Presentation:** Yes

**BACKGROUND/JUSTIFICATION:**

At the beginning of August, the owners of Lake Arbor Apartments notified all 177 households of their plans to close the complex and renovate the property. The majority of households (125) were given notice to vacate by the end of August. The remainder of households received move-out dates for later this year and during 2020.

The County joined the Project SAFE team to complete assessments and analyze data to determine household eligibility for relocation and/or financial assistance. An update will be provided on how the County will assist eligible residents.
