File #: 19-5751, Version: 1

---

**Title:**  
**Public Health Updates**

**Summary**

**ACTION:**

**Receive a presentation from Gibbie Harris, Health Director, on Public Health Updates**

**Staff Contact:**      Gibbie Harris, MSPH, BSN Health Director

**Presentation:**      Yes

**BACKGROUND/JUSTIFICATION:**

**Presentations on several Public Health Updates:**

- 1. Mecklenburg County Health Department is required to conduct and present a State of the County Health Report every year between County Health Assessments. The Report serves to update the community on the health status of our community.**
- 2. Public Health is required to provide an annual Communicable Disease report to the Board of County Commissioners.**
- 3. Public Health will provide an update on the status of the Getting to Zero Meck Plan, our community HIV Plan and the national Ending the Epidemic efforts related to our community.**
